Traveler's Tool Kit: Mexico and Central America Rob Sangster 2008-02-28 Traveler's Tool Kit Mexico/Central America was named Best Guidebook for 2008 by planeta.com Rob Sangster and Tim Leffel are not typical travelers, nor is this a typical travel guide. Instead of rating Mexico's "best" (read: most expensive) hotels, the authors shows how to locate comfortable, affordable lodging anywhere in the country. Traveler's Tool Kit does the same for everything from dining to entertainment to sightseeing in Mexico, Guatemala, Costa Rica, Belize, Panama, Honduras, Nicaragua, and El Salvador. Individual sections cover it all: drafting itineraries, calculating costs, eco-sensitive travel, unusual tours, managing money, staying healthy, woman-alone travel, and much more. Sangster and Leffel show how to connect with a network of travelers who've discovered the most enjoyable things to do and can provide guidance on how much to pay for them. The book also tells how to memorialize the adventure through photography and blogging, and even how to earn money from the trip after returning home. Sangster and Leffel are both authoritative and encouraging, drawing on years of experience to help travelers maximize the fun, savings, and security without compromising quality.

How to Live Like Jack Reacher Peter Kerry 2018-02-21 Like the character Jack Reacher, I have drifted around the world for the past 20 years, ever since the age of 17. After reading so many Lee Child books, I started to think about how my lifestyle looked a bit like his. I'm also a nomad with no real place to call home and no particular desire to find one. When people ask me where I live, I really don't know what to say. Right now I'm staying at an airbnb in Northern Cyprus, but next week who knows. The countries I have lived in are: Spain, Portugal, Italy, Costa Rica, Colombia, Brazil, Morocco, Turkey, Thailand, Taiwan, China, Malaysia, Northern Cyprus, the USA and Azerbaijan. This book is about how you can do the same, if you want. It draws on what I've learnt from travelling to over 100 countries and living in many different countries all over the world. Some of the information is of a practical nature: how to find the cheapest flights, how to check whether you need a visa, how to book hotels etc. I have included many tips based on my experience - things that I always find useful to take with me, how to make long journeys more bearable, how to prepare for a trip and what to pack etc. There is a large section about scams, so that you can avoid some of the traps that travellers sometimes fall into: taxi scams, car rental scams, romance scams, getting short-changed, getting overcharged or led to expensive establishments etc. Lastly, I talk a little bit about how you might feel when you get back home and how to deal mentally with the stresses of travel and how to put it all into perspective.

Stuffing the Ballot Box Fabrice E. Lehoucq 2002-06-13 Stuffing the Ballot Box is a pioneering study of electoral fraud and reform. It focuses on Costa Rica, a country where parties gradually transformed a fraud-ridden political system into one renowned for its stability and fair elections by the mid-twentieth century. Lehoucq and Molina draw upon a unique database of more than 1,300 accusations of ballot-rigging to show that parties denounced fraud where electoral laws made the struggle for power more competitive. They explain how institutional arrangements generated opportunities for executives to assemble legislative coalitions to enact far-reaching reforms. This book also argues that nonpartisan

commissions should run elections and explains why splitting responsibility over election affairs between the executive and the legislature is a recipe for partisan rancor and political conflict. Stuffing the Ballot Box will interest a broad array of political and social scientists, constitutional scholars, historians, election specialists and policy-makers interested in electoral fraud and institutional reform.

Trouble-free Travel Stephen D. Colwell 1996 What can you do if an airline bumps you off a plane, if a hotel "can't find" your reservation, or your tour operator goes out of business? TROUBLE-FREE TRAVEL shows travelers how to take steps in advance to avoid hassles when traveling, get fair compensation for unresolved problems after the trip, protect against illegal or unfair travel practices, and much more.
