Customs Broker Exam Study Guide and How to Start Your Own CHB Business Jon Sasaki 2012-12-25 The author of this combo book first published "How to Start Your Own Customs Brokerage Business"--the first book of its kind, documenting the entire process required to start your own CHB business. Jon K Sasaki, has now written a study guide to help those planning on taking the customs broker exam to pass it on their first attempt, and to do so by studying more efficiently, as well as by avoiding spending hundreds of dollars on special courses and material they may not even find necessary. In this new and concise book, he advises the exact same approach and technique he used to pass the test on his first attempt despite not ever having worked in customs brokerage before taking the exam. Now, both references perfectly compliment each other as they are combined into one easy-to-read book. The combo book helps the reader prioritize his or her studies by distinguishing between the most important and not so important sections of the exam's testing material. The book also methodically provides step-by-step guidance through the process of setting up one's own customs brokerage operation. The book includes *easy-to-understand tips on HTS classification *an explanatory breakdown of all sections of the 19 cfr that have appeared more than twice on the last 10 exams (thru Oct. 2012 exam) *a comprehensive table that lists all parts and paragraphs of the 19 cfr that have appeared in any of the last 10 exams (thru Oct. 2012 exam) *sample forms, letters, and terms index for setting your customs brokerage business *addresses to indispensable web pages *money saving tips to help you achieve your customs broker-related goals even on a shoestring budget! Can be used in conjunction with "Customs Broker Exams & Exam Companion" by same publisher. "Jon Sasaki has written a necessary guide for anyone considering taking the customs broker exam. U.S. Customs Broker License Examination Preparation Guide

Textbook Law Office of Yuri Starikov, LLC 2021-06-20 This Textbook is a study guide that represents a concise compilation of laws and regulations on frequently tested subjects in the U.S. Customs Broker License Examination. Textbook breaks down archaic and hard to read laws into reader friendly format, with bold and italicized and underlined keywords and topics. Textbook does not cover every topic, but rather focuses on the most relevant ones. Prospective examinees are instructed to regularly review each subject in order to easily recall the appropriate regulation during the exam. To help exam takers succeed in passing the exam, Textbook comes with Web Supplements. Web Supplements bring to prospective examinees video lectures (which are based on the Textbook's material), charts, exhibits, tables and flashcards designed to improve understanding of the tested topics. Concise text, charts, exhibits, tables, and flashcards alone are not enough to pass the examination. Goal of the Textbook is to equip you with necessary tools to successfully pass the U.S. Customs Broker License Examination. To that end, the Textbook integrates questions from previous exams by topics covered in individual chapters. We worked very hard to provide you with tools necessary to be successful. You, however, remain the ultimate guarantor of passing the U.S. Customs Broker Exam through hard work and dedicated studies.

The Customs Broker Exam Success Guide is an awesome tool to use before a course of study as it will help you develop a strong working Insider's Language before you even begin your review. Learn the Secret to Success on the Customs Broker exam!After nearly 20 years of teaching Lewis Morris discovered a startling fact: Most students didn't struggle with the subject, they struggled with the language. It was never about brains or ability. His students simply didn't have the knowledge of the

specific language needed to succeed. Through experimentation and research, he discovered that for any subject there was a list of essential words, that, when mastered, unlocked a student's ability to progress in the subject. Lewis called this set of vocabulary the "Insider's Words". When he applied these "Insider's Words" the results were incredible. His students began to learn with ease. He was on his way to developing the landmark series of Books and applications to teach this "Insider's Language" to students around the world. Our books and applications are helpful to any student. They are especially helpful to struggling students, English language learners, and students beginning a course of study. The strongest students will also enjoy the puzzle and game aspect of the books. In all cases, the books provide an enjoyable break from the tedious and mundane experience of traditional test preparation. Get your copy today!N.B. When viewing our workbooks on a digital device such as a Kindle, we highly recommend the use of a PDF mark-up software such as Squid® as it will make the experience much more effective and enjoyable.
