Along Comes The Association
 Russ Giguere 2020-03-10 In reading *Along Comes The Association*, you are transported back in time to post-1963 America. Go on, try to resist the urge to roll one while floating on the musical cloud of melodic rock that Russ Giguere and his band of troubadours popularized and we still cherish to this day...
Along Comes The Association is

the story of how Russ Giguere and his fellow band members in the legendary and influential pop group The Association came together to create unparalleled music, with such chart toppers as "Cherish," "Windy," "Never My Love," and "Along Comes Mary," unique to the time and place, and never again to be repeated. Yes, there were drugs, and there were women, such as the lovely Linda Ronstadt and Helen Mirren, but it was the sixties, after all.
