An Evaluation of the Public Schools of the District of Columbia National Research Council 2015-08-31 An Evaluation of the Public Schools of the District of Columbia is a comprehensive five-year summative evaluation report for Phase Two of an initiative to evaluate the District of Columbia's public schools. Consistent with the recommendations in the 2011 report A Plan for Evaluating the District of Columbia's Public Schools, this new report describes changes in the public schools during the period from 2009 to 2013. An Evaluation of the Public Schools of the District of Columbia examines business practices, human resources operations and human capital strategies, academic plans, and student achievement. This report identifies what is working well seven years after legislation was enacted to give control of public schools to the mayor of the District of Columbia and which areas need additional attention.

Mosby's Fundamentals of Therapeutic Massage - E-Book Sandy Fritz 2020-02-13 Success in massage therapy begins with a solid foundation in the fundamentals! Mosby's Fundamentals of Therapeutic Massage, 7th Edition helps you build the skills you need, from assessing

problems and planning treatment to mastering massage techniques and protocols. Hundreds of photographs demonstrate massage techniques step by step, and case studies bring concepts to life. 'How-to' videos on the Evolve companion website show manipulation techniques, body mechanics, positioning and draping, and more. If you want to prepare for licensing and certification exams and succeed in practice, this resource from massage therapy expert Sandy Fritz is your text of choice. - Comprehensive coverage includes all of the fundamentals of therapeutic massage, including massage techniques, equipment and supplies, wellness, working with special populations, and business considerations; it also prepares you for success on licensing and certification exams. - Step-by-step, full-color photographs demonstrate massage techniques and protocols by body area. - Three hours of video on the Evolve website demonstrate techniques and body mechanics — each clip is narrated and performed by author Sandy Fritz — as well as review activities for licensing exams. - Proficiency exercises provide opportunities to practice and apply what you are learning. - Case studies offer practice with clinical reasoning and prepare you to address conditions commonly encountered in professional practice. - Coverage of body mechanics helps you to create an ergonomically effective massage environment and to determine appropriate pressure, drag, and duration application while applying massage methods. - Coverage of multiple charting methods helps you develop record-keeping and documentation skills, including SOAP and computer charting with simulation on Evolve. - Learning features include chapter outlines, objectives, summaries, key terms, practical applications, activities and exercises, and workbook-type practice. - Review tools include matching exercises, short answer questions, fill-in-the-blank questions, drawing exercises, and critical thinking questions, all available on Evolve. - Research Literacy and Evidence-Based Practice chapter includes new research findings and explains how research is done, and how to read and understand it. -

Adaptive Massage chapter explains how to address the needs of specific populations, from pregnant women and infants to hospice patients and people with physical impairments. - Massage Career Tracks and Practice Settings chapter covers massage therapy services offered at spas, and looks at the spa as a possible massage career. - In-depth coverage of HIPAA shows how to store records in a HIPAA-compliant manner and explains HIPAA requirements and training. - Foot in the Door boxes outline the professional skills expected by prospective employers. - Updated Basic Pharmacology for the Massage Therapist appendix provides up-to-date information on common medications.

A Guide to Modern Econometrics Marno Verbeek 2017-08-10 A Guide to Modern Econometrics, Fifth Edition has become established as a highly successful textbook. It serves as a guide to alternative techniques in econometrics with an emphasis on intuition and the practical implementation of these approaches. This fifth edition builds upon the success of its predecessors. The text has been carefully checked and updated, taking into account recent developments and insights. It includes new material on causal inference, the use and limitation of p-values, instrumental variables estimation and its implementation, regression discontinuity design, standardized coefficients, and the presentation of estimation

results.

Invitation to the Life Span Kathleen Stassen Berger 2013-03-01 Edition after edition, Kathleen Stassen Berger's bestselling textbooks connect all kinds of students to current state of developmental psychology, in an engaging, accessible, culturally inclusive way. Berger's "Invitation to the Life Span" does this in just 15 concise chapters, in a presentation that meets the challenges of exploring the breadth of the life span in a single term. The new edition of "Invitation to the Life Span" incorporates a wide range of new research, especially in fast-moving areas such as brain development and psychopathology, while taking advantage of innovative new tools for media-centered teaching and learning. But throughout, as always, the signature voice of Kathleen Berger ties it all together, with relatable explanations of scientific content, wide ranging cultural examples, and skill-building tools for sharper observation and critical thinking.
