AC Barbeque: The Husky and Handsome Guide to Grilling Anthony Anderson 2026-05-05 Anthony Anderson and Cedric The Entertainer, comedic royalty and hosts of A&E's Kings of BBQ, gather their favorite recipes into an accessible and entertaining cookbook like no other. For both Anthony Anderson and Cedric The Entertainer, two of the biggest names in comedy of all time, barbeque is more than just food—it's a way of life. Recipes are passed down through generations at backyard cookouts, and pitmasters around the country

carry on those traditions at their restaurants. That's what the television show Kings of BBQ on A&E (and now streaming on Hulu) captured as Anthony and Cedric traveled the country with the goal of launching their own spice and BBQ sauce product lines. Their AC Barbeque product line is now carried thousands of stores nationwide, and fans are clamoring for this cookbook to go with them. Organized by regions of the country to best capture the soul of the food including St. Louis, Memphis, and the Carolinas, AC Barbecue showcases the charm of these brilliant actors and comics both in the writing and bold photography. Recipes range from pork belly burnt ends to dry rub beef brisket to jerk ribs, and other favorites like macaroni salad, baked beans, fried catfish, and hush puppies are included as well. There are even snacks and desserts like fried pickles and peach cobbler, and maybe best of all, a whole chapter of sauces and rubs. Whether you're a seasoned pitmaster or

just firing up your backyard grill, this book is a celebration of the rich traditions, bold flavors, and undeniable joy of barbecuing. Packed with mouthwatering recipes, stunning photography, and Anthony and Cendric's infectious personalities, this cookbook is a must-have for anyone looking to bring soul and flavor to their own backyard gatherings.

The Best Simple Recipes

America's Test Kitchen 2018-11-06 The Best Simple Recipes offers more than 200 full-flavored easy-to-prepare recipes that can be on the table in 30 minutes or less in an easy-to-read paperback format. Just because time is short, it doesn't mean you have to settle for a can of soup or a sandwich for dinner, or making one of the many boring and flavorless fast recipes (which often aren't even as fast as they promise). Our test cooks have created more than 200 recipes that keep the ingredients and cooking time to a minimum and offer tons of flavor and plenty of variety. By combining steps, minimizing pans, and employing a little test kitchen trickery, our test cooks have made naturally fast recipes even faster, and they've made recipes that traditionally take hours ready for the table in half an hour. And while they used a minimum of ingredients, one thing they didn't minimize was flavor.

everything from appetizers to desserts from one of the country's foremost experts and host of PBS's Barbecue America. Rick Browne is the author of twelve cookbooks, most of which deal with barbecue and grilling. In this volume, he's created an encyclopedic collection of recipes drawn from cuisines around the world, with a particular focus on North American and Asian traditions. Browne begins with a brief primer on basic grilling techniques, but the real substance of this book is the dazzling array of recipes. You'll find dishes everyone can enjoy, including standard grill fare like beef and chicken as well as the more unusual shellfish and wild game. There are plenty of vegetarian options too, and a section for sauces, marinades, and rubs. Never before have this many great grilling recipes been collected into one tome. If you love to grill—or know someone else who does—this is a must-have resource. It's the only grilling recipe book you'll ever need. "I grill around with
