Sterling Test Prep College Biology Practice Questions: High Yield College Biology Questions with Detailed Explanations Sterling Test Prep 2017-12-12 1,550+ college biology practice questions with detailed explanations covering all biology topics. - Cell and Molecular Biology - Structure and Function Systems; Development - Genetics - Evolution, Ecology, Diversity and Behavior To do well on your tests and achieve a high grade in college biology, you need to develop skills to properly apply the knowledge you have and quickly choose the correct answer. Understanding key science concepts is more valuable than memorizing terms and you should solve numerous practice questions. This book provides over 1,550 biology practice questions that test your knowledge of college biology topics. The detailed explanations discuss why the answer is correct and - more importantly - why another answer that may have seemed correct is the wrong choice. The explanations include the foundations and details of important science topics needed to answer related questions on your tests. By reading these explanations carefully and understanding how they apply to solving the question, you will learn important biology concepts and the relationships between them. This will prepare you for your biology college exams and will significantly improve your scores. All the questions in this book are prepared by biology instructors with years of experience. This team of biology experts analyzed standard college biology curricula and designed practice questions that will help you build knowledge and develop the skills necessary for your success in the class. The questions were reviewed for quality and effectiveness by our science editors who possess extensive credentials, are educated in top colleges and universities, and have years of teaching and editorial experience.

Cracking the Nystce Princeton Review (Firm) 2003 Our inventive strategies and unique approach to standardized tests have revolutionized the test-prep industry. The techniques we teach in our courses are in this book. And If It's on the LAST or ATS-W, It's in This Book We don't try to teach you everything there is to know about math, reading, writing, and teaching-only the techniques you'll need to score higher on the NYSTCE. There's a big difference. In Cracking the NYSTCE, we'll teach you how to think like the test writers and -Hone your essay-writing skills -Prepare for the challenges of the NYSTCE -Raise your score with complete preparation for both the LAST and the ATSW This book includes 2 full-length practice exams, one for the LAST and one for the ATSW. All of our practice questions are just like the ones you'll see on the actual NYSTCE, and we fully explain every solution.
