Clearing the Clutter for Good Feng Shui

Mary Lambert 2001 Many of us find it impossible to part with our junk--the clothes we don't wear, and photographs we don't look at. However, the clutter creates stagnant energy, which prevents us from moving forward. This book offers a clutter analysis, a complete de-clutter program for every room in your home,

and clutter checklists to help you go through the de-junking process. It offers helpful storage solutions and feng shui enhancements such as wind chimes, crystals, and water features to maximize the new fresh energy and counteract any remaining negative flow.
