The Pastor's Book R. Kent Hughes 2015-10-14
Pastors are tasked with the incredibly demanding job of caring for the spiritual, emotional, and, at times' physical needs of their people. While seminary is helpful preparation for many of the challenges pastors face, there's far more to pastoral ministry than what can be covered in the classroom. Designed as a reference guide for nearly every situation a

pastor will face, this comprehensive book by seasoned pastors Kent Hughes and Doug O'Donnell is packed full of biblical wisdom and practical guidance related to the reality of pastoral ministry in the trenches. From officiating weddings to conducting funerals to visiting the sick, this book will equip pastors and church leaders with the knowledge they need to effectively minister to their flocks, both within the walls of the church and beyond.

How to Make Great Appointments in the Church
Claire Pedrick 2010-07-22 The book is designed to provide practical help to those involved in filling a vacancy, showing how to make it a good process and end with a good appointment. At the same time, it is useful to clergy seeking

appointments, and senior clergy actually making the appointments.
