If you have not yet bought the original copy, make sure to purchase it before buying this unofficial summary from aBookaDay. The Devil in the White City: Murder, Magic, and Madness at the Fair that Changed America by Erik Larson, published in 2002, is an historical work centered on the Chicago World's Fair of 1893. More specifically, the focus of the author centers on two men and their accomplishments during this pivotal moment in the history of America's new modern era. The first is the chief architect of the fair, Daniel Burnham, whose vision shaped the fair, and by extension, the architectural aesthetic of modern cities more broadly speaking for the generations that followed. His story is one of the power of creation fueled by persistence in the face of obstacles. The second focus of the book is America's first known serial killer, Dr. H. H. Holmes, whose acts of evil during the time of the World's Fair would manifest a destructive

power that lived in the shadows of metropolitan anonymity. This review offers a detailed summary of the main themes raised in this historical work. In general the summary follows the structure of the book, which is largely presented in chronological order, alternating between the main historical figures central to the story. However, parts of the summary are presented in an order that deviates slightly from that of the book in order to preserve the continuity and readability of the facts presented. The summary is followed by an analysis. Larson is both an accomplished journalist and historical novelist. He has written four New York Times bestselling books. He has written for The Wall Street Journal and Time Magazine as a staff journalist. He has been a contributing author to The Atlantic, Harper's, and The New Yorker. His academic background includes a bachelors in Russian history, language and culture from the University of Pennsylvania, and a Masters in journalism from Columbia University. Quicklet on Erik Larson's The Devil in White City: A Saga of Magic and Murder at the Fair that Changed America Nayla Wren 2012-05-08 The Devil in the White City: A Saga of Magic and Murder at the Fair that Changed America is about the making of a great city and the development of two extraordinary, yet utterly disparate, men. The book is set in Chicago just before and during the 1893 World's Columbian Exposition (or the World's Fair as its more commonly known). Chicago is perched on the precipice of a great transformation, but whether for good or bad remains to be seen Larson tells the story of the fair through the eyes of two men, both brilliant, each representing a different side of the city where they live. Daniel Burnham, a businessman and architect, has a vision of the glorious city Chicago can become. He represents the purity of spirit, innovation and diligence that make Chicago a great city. H. H. Holmes, a charming psychopath who uses the fair to lure his victims, represents the city's darker side. Holmes is as efficient in his killing as the city's slaughterhouses, and as destructive as its frequent fires. As Burnham elevates the city's reputation, Holmes threatens to destroy its burgeoning greatness.
