### **Women in Early America**

Dorothy Auchter Mays

2004-11-23 This volume fills a gap in traditional women's history books by offering fascinating details of the lives of early American women and showing how these women adapted to the challenges of daily life in the colonies.

*Women in Early America: Struggle, Survival, and Freedom in a New World* provides insight into an era in American history when women had immense responsibilities and unusual freedoms. These women worked in a range of occupations such as tavernkeeping, printing, spiritual leadership, trading, and shopkeeping. Pipe smoking, beer drinking, and premarital sex were widespread. One of every eight people traveling with the British Army during the American Revolution was a

woman. The coverage begins with the 1607 settlement at Jamestown and ends with the War of 1812. In addition to the role of Anglo-American women, the experiences of African, French, Dutch, and Native American women are discussed. The issues discussed include how women coped with rural isolation, why they were prone to superstitions, who was likely to give birth out of wedlock, and how they raised large families while coping with immense household responsibilities.

2020-12-31 Rediscover the diversity of modern African literatures with this authoritative resource edited by a leader in the field How have African literatures unfolded in their rich diversity in our modern era of decolonization, nationalisms, and extensive transnational movement of peoples? How

have African writers engaged urgent questions regarding race, nation, ethnicity, gender, and sexuality? And how do African literary genres interrelate with traditional oral forms or audio-visual and digital media? *A Companion to African Literatures* addresses these issues and many more. Consisting of essays by distinguished scholars and emerging leaders in the field, this book offers rigorous, deeply engaging discussions of African literatures on the continent and in diaspora. It covers the four main geographical regions (East and Central Africa, North Africa, Southern Africa, and West Africa), presenting ample material to learn from and think with. *A Companion To African Literatures* is divided into five parts. The first four cover different regions of the continent, while the fifth part considers conceptual issues and newer directions of inquiry. Chapters focus on literatures in European languages officially used in Africa -- English, French, and
