## **The CBS Radio Mystery**

**Theater** Gordon Payton 1999

Almost every day, for nine years during the late 1970s and

early 1980s, the CBS Radio Mystery Theatre brought monsters, murderers and mayhem together for a whole hour each evening. Created, produced and directed by Himan Brown, the series remains a landmark in radio drama. But Mystery Theater ended over 15 years ago and no one has yet been able to gather enough information to write a book detailing the history of the episodes--until now. This work offers a detailed log of every Mystery Theater episode ever broadcast--nine years of monsters, murderers and mayhem. Descriptive information includes exact titles, airdates and rebroadcast dates, episode numbers, cast lists, writer and adapter credits, and a storyline synopsis. This material comes directly from CBS press releases in order to insure complete accuracy. Also included wherever possible are

information about the actors and actresses, quotes from performers and writers (many from personal interviews), anecdotes about various scripts and sound effects, and other notes of interest.

**Terror Television** John Kenneth Muir 2013-02-25  
Although horror shows on television are popular in the 1990s thanks to the success of Chris Carter's *The X-Files*, such has not always been the case. Creators Rod Serling, Dan Curtis, William Castle, Quinn Martin, John Newland, George Romero, Stephen King, David Lynch, Wes Craven, Sam Raimi, Aaron Spelling and others have toiled to bring the horror genre to American living rooms for years. This large-scale reference book documents an entire genre, from the dawn of modern horror television with the watershed Serling anthology, *Night Gallery* (1970), a show lensed in color and featuring more graphic makeup and violence than ever before seen on the tube, through more than 30 programs, including those of the 1998-1999 season. Complete histories, critical

reception, episode guides, cast, crew and guest star information, as well as series reviews are included, along with footnotes, a lengthy bibliography and an in-depth index. From Kolchak: The Night Stalker to Millennium, from The Evil Touch to Buffy the Vampire Slayer and Twin Peaks, Terror Television is a detailed reference guide to three decades of frightening television programs, both memorable and obscure.

The fifth in a series focusing on the largely undocumented world of internet TV, this book covers 573 children's series created for viewers 3 to 14. The genre includes a broad range of cartoons, CGI, live-action comedies and puppetry. Alphabetical entries provide websites, dates, casts, credits, episode lists and storylines.

*Mystery Science Theater 3000*  
Matt Foy 2024-08-20 A fun and fascinating deep dive for "devoted and loyal MST3K fans" (Library Journal) that reveals the impact and creation of the cult-hit television series *Mystery Science Theater 3000*. Few television shows can boast the long-term cult popularity and cultural influence of *Mystery Science Theater 3000*-or MST3K to its legions of devoted fans, known collectively as MSTies. Created by quirky standup comic Joel Hodgson and producer Jim Mallon, *Mystery Science Theater 3000* was a low-budget and altogether unconventional comedy series about a man trapped in space and forced to watch the worst movies ever made alongside a pair of homemade, wisecracking

robots named Tom Servo and Crow T. Robot. In *Mystery Science Theater 3000: A Cultural History*, Matt Foy and Christopher J. Olson explore the vast cultural influence of the cult television series, charting how the show's aesthetics, style of humor, and distribution innovations heralded shifts in popular culture and media production and criticism. The show also engaged viewers in the do-it-yourself media subculture of the 1980s that blurred the lines between media producers and consumers and introduced the art of media "riffing" into popular culture. Beginning with the humble origins of MST3K, Foy and Olson dig into everything from the show's journey across networks to the must-watch episodes. Also discussed are the endeavors of cast members after the show's cancellation, including *RiffTrax*, *Cinematic Titanic*, and *Mads Are Back*, as well as the show's second life through a Kickstarter campaign and a Netflix revival. This is an essential guide to all

things MST3K for fans both new and old.
