U. S. Government and Politics 1999-2000 Tom Meltzer 2000-01-25 The Book That Gets You Results Score higher by mastering the key concepts of government such as the constitution, civil rights and civil liberties, and more We Know the AP U.S. Government and Politics Exam The experts at The Princeton Review study the AP U.S. Government and Politics exam and other standardized tests each year to make sure you get the most up-to-date, thoroughly researched books possible. We Know Students Each year we help more than two million students score high with our courses, bestselling books, and award-winning software. We Get Results Students who take our courses for the SAT, GRE, LSAT, and

many other tests see score improvements that have been verified by independent accounting firms. The proven techniques we teach in our courses are in this book. And If It's on the AP U.S. Government & Politics Exam, It's in This Book We don't try to teach you everything there is to know about U.S. government and politics-- only the facts and techniques you'll need to know to score higher on the Advanced Placement exam. "There's a big difference. In *Cracking the AP U.S. Government & Politics, 2000-2001 Edition*, you will learn to think like the test-makers and \*Eliminate answer choices that look right but are planted to fool you \*Improve your score by knowing in advance what's most likely to be tested \*Use targeted review to master the branches and processes of government \*Score high on teh essays by

knowing how to organize your answers Practice your skills on the two full-length sample tests inside. The questions are just like the ones you'll see on the actual AP U.S. Government & Politics exam, and we fully explain every answer.
