Each chapter has features to help you improve including: Ace your Assignment provide practical tips to help succeed Hacks provide key tips and tricks to improving your skills Exercises help try the theory out in practice The book also has a chapter dedicated to using AI in essay writing, giving guidance on what to do and what could get you in trouble!

Writing for Psychology Mark L. Mitchell 2003 WRITING FOR PSYCHOLOGY - A STUDENT'S GUIDE offers concise assistance for students writing their research analyses using APA Style. By providing concrete examples of common errors, the authors are able to show--rather than merely tell--students what to do and what to avoid. This student friendly manual will help students adhere to the basics of American Psychological Association (APA) style; refine critical thinking skills, library search skills, revising skills, editing skills, and proofing skills; and avoid plagiarism. This text is an adaptation of an earlier text published by Robert O'Shea. Checklists for students, which have been praised by reviewers, precede the summary at the end of every chapter, giving students the chance to make sure they have been thorough in their reports.

Handbook for Social Work Writing Susan E. Mason 2024-03-28 This concise, accessible, and engaging handbook offers a companion for social work students to acquire professional and competency-based writing skills. Written by experienced educators, the book builds writing proficiency by introducing a social work-based guide to academic writing and professional communication. Each chapter addresses a specific area of social work writing and development, progressing from coursework and beginning fieldwork to practice-based assessments and reports. The authors integrate a series of scaffolded activities throughout for readers to cultivate awareness and further technique; and with sections explaining contemporary communication methods and common writing challenges, readers will be prepared to use technology both to strengthen their writing and to ease the overall process. Excellent for use in courses across the social work curriculum and as a personal guide, the Handbook for Social Work Writing provides students with on-the-spot guidance for any type of academic or professional writing assignment.
