Today, at A New Day One, we introduced the Base app (formerly Coinbase Wallet), an everything app to create, earn, trade, discover apps, and chat with friends all in one place. The base of an object such as a box or vase is the lower surface of it that touches the surface it rests on. Base is used broadly in both literal and figurative contexts: the wide base of the pyramid; a party seeking to expand its power base. Basis is used in a nonphysical sense: "Healthy scepticism is the basis of ... The base of something is usually the foundation, starting point, or main ingredient of something. A soup base is the flavoring or broth you use to get your soup started. A supporting part or layer; a

foundation. A skyscraper built on a base of solid rock.
