

Bclad Cset Spanish Study Guide

On Being a Language Teacher Norma López-Burton 2014-03-11 *On Being a Language Teacher* provides an innovative, personal approach to second-language teaching. Through illustrative personal anecdotes, this text guides new and aspiring language teachers through key pedagogical strategies while encouraging productive reflection by classroom veterans. An ancillary website provides online videos to complement the text by showing an experienced teacher applying the book's lessons. In a market dominated by dense theoretical approaches to language pedagogy, this text provides an instantly accessible, practical set of teaching tools for educators at all levels. Its accessible style and affordability give it the flexibility to serve as either a primary or a supplemental text

for teaching assistants, students in credential programs, or undergraduates in applied linguistics courses.
