If you are a person who has struggled with an addiction, or a family member who is helplessly watching the slow death of a loved one from an addiction, or even a seasoned professional who is overwhelmed and frustrated over the chronic relapses of clients, here is a simple question to ask yourself if you are wondering whether this book is for you. Does a person have control over a relapse? If you answered yes, then this book is absolutely for you. This book is for you because the answer to this question is an emphatic NO!!! Why is the answer no? Addiction, like any other disease, follows a natural process. Once it starts, this process will continue its natural course that will eventually lead a person to a more deteriorated condition, certain pain and suffering, or, even worse, death. There are no exceptions to this natural process, unless, of course, this process is interrupted. The more important question that needs to be asked is:

Does a person have control over their recovery? The answer to this question is an emphatic YES!!! The intent of this book is not so much to focus on the science of addiction, although this will be addressed, as much as it is on the science of recovery. Although the reader will better understand some of the basic neurobiological processes underlying addiction (It is just not genetics alone), the reader will also explore how these same neurobiological processes are essential to recovery. The contention, here, is that if there is a science of addiction, there must be a science of recovery. This book will explore the many facets of healing within the recovery process with particular emphasis on examining the role of our neurobiology and behavior. More importantly, it will give readers, whether a person suffering from an addiction, a distraught loved one, or a frustrated professional, insight and a blueprint as to what needs to be done for a successful recovery regardless of the disorder. Is relapse a part of recovery? Absolutely Not!!!

Beyond Therapy Anne Wilson Schaefer 1992 This book recounts the author's personal and professional journey as a therapist and her movement beyond therapy. She argues that the dominant scientific and psychotherapeutic worldviews perpetuate the addictive processes they seek to cure, and she describes, for the first time in writing, her living process work - the unique model she has devised for healing addictions. Finally, she presents a new theory culled from the theoretical and philosophical issues that have emerged from her journey and work.

Beyond Series Novella Bundle Kit Rocha

2015-09-11 This bundle contains novellas #3.5, #4.5 and #5.5 in the bestselling, award-winning BEYOND series. Beyond Temptation - Novella #3.5: Hacker Noah Lennox lives in the shadows, fighting a one-man war against the corrupt

leader of Sector Five. The only weak spot in his armor is his best friend's sweet younger sister--the girl he swore to save, even from himself. With her brother dead and a target on their backs, getting her out of the sector--and out of danger--meant giving her up for good. Or so he thought. Emma Cibulski has made her own home in Sector Four, as a full member of the O'Kane gang and apprentice to their infamous tattoo artist. When Noah--the first man she ever loved--stumbles back into her life, it's her chance to have it all. The spark between them burns hotter than ever, and this time her fantasies are far from innocent. But can they handle the heat...or will Noah's dark secrets drive them apart forever? *Beyond Solitude - Novella #4.5*: Mia risked everything to walk away from a gilded cage in Sector Two, but grasping at freedom was only her first trial. With no protection in the sectors, every day is a struggle to stay alive. Her best hope now is a job working for the most dangerous gang in Sector Four--the O'Kanes.

When a motorcycle accident leaves Derek Ford riding a desk at the O'Kane compound, the last thing he needs is a sexy new assistant upending his office and his life. Especially someone like Mia, who greets his growls and commands with smiles and a fierce independence. The friction between them generates an undeniable heat, and Mia's stubborn refusal to let life beat her down stirs Ford's darkest protective instincts. He has the power to take care of her, protect her not only from discomfort but from threats of her past...but first he'd have to claim her. And Mia will never be kept again. *Beyond Possession - Novella #5.5*: Tatiana Stone has worked hard to establish herself as one of Sector Four's most skilled crafters. All she wants is peace--but the sins of her father haunt her. He ruled the sector as a petty tyrant before the O'Kane takeover, and plenty of people harbor bitter memories of his cruelty. Especially now that Tatiana's beloved baby sister has fallen in with a man who wants to start a revolution. Zan failed his boss

once, and it won't happen again. So when Dallas O'Kane asks him to defuse the rebellion brewing in the sector, he'll do whatever it takes to get the job done--including seduce Tatiana. It's the perfect opportunity to get closer to the pretty crafter and complete his mission. But what he discovers is a fiery, passionate woman--and an affair that could destroy them both.

Beyond Booze Sarah Rusbatch 2024-01-30 How to rediscover yourself, change your life and live joyfully without alcohol - because being sober delivers everything alcohol once promised. The goal isn't to be sober. The goal is to love yourself so much you don't need to drink. For decades we have been sold the idea that alcohol is our 'reward' at the end of a busy day. We use it to celebrate and commiserate, for self-care and

socialising, and to relieve the stress of the daily grind. But alcohol affects our physical and mental wellbeing in ways we don't even realise. It negatively impacts our sleep, anxiety levels, weight and skin, not to mention our mood and mindset. If you can't remember when you last felt energised, optimistic or motivated, you are not alone. Creating a life without alcohol can feel scary. In a culture so captivated with booze, can we really remove it altogether and still be happy? The answer is absolutely YES, and this book shows you how. Packed full of guidance, support and practical tools, *Beyond Booze* will help you create a life you love so much that you no longer need to drink. It's not so much about how to take alcohol out, but rather what to add in to create a more fulfilling, purposeful and contented life. It's about finding your way back to feeling 10 out of 10, and falling in love with life - and yourself - without booze.

Beyond Bundle Volume Two Kit Rocha

2015-07-03 This bundle contains Book #4, Book #5 and Book #6 in the bestselling, award-winning BEYOND series. Beyond Jealousy - Beyond, Book Four When Rachel Riley sacrificed a life in Eden to protect the O'Kanes, she earned her place in the powerful Sector Four gang. But the former crime princess is tired of being everyone's sweet little sister . It's time for her to embrace her fantasies as only an O'Kane can--with a delicious exiled soldier and the gang's wickedly sinful tattoo artist. Lorenzo Cruz is a

warrior, taught by his commanding officers in Eden that involvement equals distraction. Emotion is a liability, and desire a sin. No battle strategy prepared him for how Rachel makes his heart race...or the way his rival for her affections sets his blood on fire. Ace Santana has a dirty reputation and a mind to match, especially where his new lovers are concerned. He's eager to help Cruz embrace his dominant side, and to explore the lines between pleasure and pain with Rachel. But corrupting them quickly becomes an obsession. Three hearts on the line means a hundred ways their ménage a trois could go wrong. One of them could be the missing piece that makes them all whole...or a temporary diversion destined for a broken heart. Beyond Addiction - Beyond, Book Five Trix changed her name and her life when she got clean four years ago. As an O'Kane, she's happy, untouchable. Getting her home could be a suicide mission. The only thing deadlier is the old spark that flares to life between them. Soon, Finn and Trix are battling the one addiction neither of them ever managed to kick--each other. And it could cost them everything. Beyond Innocence - Beyond, Book Six For years, Jared has existed on the fringes of both Eden society and Dallas O'Kane's Sector Four gang. He travels between these worlds, protected by his money and power--money he earned selling his body, and power that comes from knowing secrets. He's untouchable--until he starts a new life gathering intelligence for the O'Kanes. Lili Fleming walked out of Sector Five with a gun, the bloodstained clothes on her back, and an icy determination to

survive. She finds herself in a world where people live hard and love harder, and nothing's more terrifying than how much the O'Kanes wake her up, make her feel--especially Jared. Emotion is a risk he can't afford, and a complication she doesn't need. But neither can resist the lust simmering between them, and the sparks that could either melt the ice around both their hearts...or get them killed. Because the only thing more dangerous than loving an O'Kane is loving a spy.
