Airline Conspiracy Captain John D. Gallagher
2015-01-30 When a small Blue Bird Airlines
flight falls from the sky at Toronto's Pearson
Airport, Angela Reid is called to find out why.
Conflicting reports from airline officials,
passengers, and the surviving flight crew open
more questions than answers, and the officials in
charge seem strangely quiet about what they
know. After months of tracking down dead ends
and incomplete reports, she uncovers clues that
suggest there may be more to the accident than
a few faulty parts. Could this be part of a much
bigger conspiracy reaching all the way to the top
of the Canadian government, and is someone
intentionally sabotaging her investigation to lead

her astray?
