**Fifteenth Century Studies** 1990 Includes a selection of papers presented at the Fifteenth-Century Symposia, 1977-

*Recollection and Discovery* Cathy Covell Waegner 1983 For over half a century readers trying to make sense of Faulkner's characters have found themselves misled, conned, shocked, and left in the lurch. Faulkner's «tricks» continue to meet all too often with critical misunderstanding or disapproval. A new mode of inquiry casts light on the way the characters assume meaning in the novels. Taking on the roles of recollecting insider and discovering outsider, the reader can describe a rhetoric of character which links reader, work, and author. This study recreates strands of the reading process in *Light in August*, *Absalom, Absalom!*, *The Hamlet*, *Go Down, Moses*, and «Knight's Gambit.»

**Fantasy and Horror** Neil Barron 1999-06-17 More than 2,300 works of fiction and poetry are discussed, each cross-referenced to other works with similar or contrasting themes. Winners and nominees for major awards are identified. Books that are part of a series are flagged, with a complete list of books in series included in a final chapter, along with a comprehensive list of awards, of translations, and of young adult and children's books.

**Frustrating God** Luis Scottt 2013-09-24 Have you ever asked how Gods knowledge of the future impacts your life today? Frustrating God offers a challenge to the assumptions of open theism and provides answers that are both refreshing and new. Theologians and laypeople alike have struggled with the extent Gods knowledge, the limitations of human free will, and the practical implications these ideas have for everyday life. Why doesnt God do something about all the evil in the world? Have you ever tried to answer the question about Gods goodness in light of the fact that people He created will be lost for all eternity? How can God answer prayers if He does not know and may not be able to anticipate the future consequences of those answers? How do we resolve the apparent conflict between human freedom and Gods overwhelming power? You can find the answer to these and many more questions in Frustrating God. In this challenge to the theological view of open theism, Pastor Luis Scott offers a radically new alternative to the seemingly tense relationship between Gods foreknowledge and human free will. This deepened understanding of Gods nature can enhance your perception of a God so magnificent that the only word to describe our struggle to know Him is frustrating. In Frustrating God you will begin a journey to a deeper knowledge of the mysterious God of the Bible the God who baffles us, but loves us enough to lay the penalty of sin upon His beloved Son.

[Alan Watts in Late-Twentieth-Century Discourse](#) Peter J. Columbus 2023-11-17 This book is an anthology of commentary and criticism written within the transitional period between Alan Watts' 1973 death and the twenty-first century intellectual horizon. Comprised of 16 chapters written and published between 1974 and 1994, with up-to-date introductions from the essayists and other contemporary thinkers, this volume opens a window onto unexplored grounds of Alan Watts' impact within late-twentieth-century discourse – an intermediate space where scholars reoriented their bearings through changing times and emerging academic trends. Offering varied explanations and assessments of Alan Watts, including his influence on the Beat and Hippie generations, and his popularization of Zen Buddhism in America, it tackles unaddressed questions within the milieu of late-twentieth-century America from the Reagan Revolution and religious conservatism, to paradigm shifts in Buddhist studies and the rise of post-colonial theory. Contributors' post-mortem analyses and critiques of Watts allow for a thematic rendering of their consonance or dissonance with noted Beat, Hippie, and Zen Buddhism themes of his lifetime. This volume will appeal to scholars and students of humanistic psychology, transpersonal psychology, the psychology of

religion, comparative religion, and American studies.

**My Inaugural Address at the Great White Throne Judgment of the Dead** Alvin Miller 2011-12-03 An unusual perspective on current End Times events as prophesied in the Book of Revelation, including the Rapture and the Tribulation, updated and expanded to over 600 pages.

*Whose Apple is it, Anyway!* Linda F. Williams, MSW 2017-02-09 Dr. Linda takes you on a voyage of tears and laughter as she reveals a heartbreaking journey paved with abuse and emotional trauma. She is a survivor of domestic violence, molestation, sexual assault, and a divorce that ended a 17-year marriage to a man who was later convicted as a sexual predator. After decades of abusive and toxic relationships, stifled professional growth, and financial devastation, she was forced to face how she could no longer ignore the dysfunction that ruled her life. She couldn't change the past that haunted her. So, she decided to take revenge on it by helping other emotional trauma survivors. This book uncovers the secrets that propel survivors of abuse and trauma from pain to purpose as they take back their power, tap into the truth of who they are, and live their best lives now! Dr. Linda illuminates the darkness of emotional trauma and reveals two powerful tools that are guaranteed to transform you from surviving to thriving after abuse and trauma. STELLAR REVIEWS Williams dives right into the deep waters and shows us how to swim. With striking honesty, William gives us real-world tools to combat negativity and find our true purpose in life. I laughed, cried, and took notes like crazy. I cannot recommend "Whose Apple is it, Anyway!" highly enough. For anyone who has experienced difficult relationships and behavior patterns, we just can't seem to break, this is a MUST-READ! H. Trentadue A phenomenal rare gem! This is a book that I've actually prayed for after reading several self-improvement books that I just didn't get or struggled to get finish. Through Linda's incredible story of her path to healing, I was not only able to understand every bit of her story, but I could not stop reading. I laughed, I cried, and there were a few times I yelled out 'YES!!' because The information was just clicking and hitting home for me. L. Holden

*The Cross* Rod Parsley 2013-10-01 Rediscovering the Beautiful, Scandalous Cross of Jesus Christ The cross is the hinge-point of human history. It is the fulcrum of God's grand, brilliant, lever--four thousand years in the crafting--that in a single day pried a fallen world from Satan's grasp. The centrality of the cross is the hallmark of an authentic, life-giving gospel. But today we stand at an intersection, a literal crossroads of history, in which for many, even those with a genuine love for God and His Word, the cross has lost its importance. In *The Cross* Rod Parsley takes you deep into the mysterious territories of what the Bible calls "the foolishness of the cross" and the "scandal" of Jesus's sacrifice to explore the significance of the cross in the unfailing light of Scripture. It is at the foot of the cross, and there alone, that we can look with wonder upon the raw ferocity of God's love for us. To accept it and glory in it, this is the only truly rational response. Come along as we rediscover the power, majesty, and beauty of the cross and learn anew how to claim that power for your life.
