constant nagging, and feeling like I was failing every single day. This isn't some fancy theory from a textbook, and this isn't a long-winded essay that belongs in a medical journal either, this is personally tested resources written in a way ADHD brains can easily and efficiently process. It's filled with visual charts, checklists, bullet points and personal experience. It's designed for real families dealing with real ADHD challenges - not picture-perfect Pinterest homes. If you're tired of the clinical remedies that seem impossible to implement and the long boring books that loses your interest 2 pages in, then this is the complete comprehensive guide for you!
