Dancing on Quicksand Edward Pomerantz 2017-06-27

"Adventure. That's the key word here. Every play in this collection began with a question, a strong scene, image, or situation that haunted me, whose mystery could only be solved by writing it, moving step by step into unknown territory, emboldening me with clues and discoveries, as I moved forward, loving the danger of it, dancing on quicksand.

'We're lucky,' William Carlos Williams tells us, 'when we catch the evasive life of the thing.' With these plays, and the one I'm writing now, I feel lucky to still be spending my days in pursuit of it." Edward Pomerantz New York City EDWARD POMERANTZ has written over 35 commissioned screenplays and teleplays, and is the recipient of two Writers Guild Awards. He wrote the movie CAUGHT, based on his

novel INTO IT, released by Sony Pictures Classics and nominated for three Independent Spirit Awards. His play/feast BRISBURIAL was produced by Woodie King, Jr.'s New Federal Theatre and published by Magic Circle Press.

Dancing Over Quicksand

Michael T. Krieger 2003-11-11
Dancing over Quicksand is a short story collection about characters that are living out a made up cliché that means 'going too far'. Some of these characters succeed while others suffer considerable consequences. This book is not about high adventure but about human situations, about how people placed in positions to make tough decisions make out. Like the cliché, 'skating on thin ice', dancing over quicksand implies that we are all on borrowed time. Whether we celebrate this remaining time or toil through it, this collection reflects on the way human beings deal with life, love, death, hardship, and happiness.

Dancing Ellen Jacob 1981 This is a survey of the world of dance from ballet to tap.

Tap Dancing On Quicksand

Killarney Greene 2016-09-01 In The Beginning, Jessica's marriage to handsome hotelier Julian Bothwell reads like a romance novel. However, Jessica's marital bliss soon begins to unravel as she realizes she has married not only into money, but mayhem, madness, and perhaps murder as well. Desperate to save her marriage and the life she has built for her young son, Jessica becomes the keeper of things she dare not say out loud, not even to her closest confidante and friend or her therapist. As she frantically careens from one stopgap measure to another, Jessica finds herself turning to a coping mechanism that, to her dismay, proves not only futile but also perilous. A combination of romance, intense suspense, and an examination of the darker side of human nature, Tap Dancing on Quicksand is not a book for the fainthearted. It examines issues that women have faced for centuries - loving too much, spousal and child abuse, alcoholism and drug addiction, family secrets, and dysfunction.

It is a book about a woman for whom being in love becomes synonymous with being in terror. Tap Dancing on Quicksand will keep you guessing until the last page.

The Montana Mysteries Featuring Gabriel Du Pré Volume Three Peter Bowen 2018-10-16 The contemporary western mystery series follows the further adventures of a half Indian cattle inspector and "character of legendary proportions" (Ridley Pearson). Officially, Gabriel Du Pré is the cattle inspector for Toussaint, Montana, responsible for making sure no one tries to sell cattle branded by another ranch. Unofficially, he is responsible for much more than cows' backsides. The barren country around Toussaint is too vast for the town's small police force, and so, when needed, this hard-nosed Métis Indian lends a hand. In Gabriel Du Pré, "Bowen has taken the antihero of Hemingway and Hammett and brought him up to date . . . a fresh, memorable character" (The New York Times Book

Review). The Stick Game: After a Native American boy turns up dead, Du Pré takes on a mining company that's poisoning reservation children. Is there something more sinister than greed and indifference at work? "Wonderful . . . wise." — The Washington Post Book World Cruzatte and Maria: While reluctantly serving as a consultant for a documentary about Lewis and Clark's expedition up the Missouri River, Du Pré stumbles upon a national treasure: Meriwether Lewis's lost journals. Then members of the film crew start dying . . . "A solid entry in a great series." — Booklist Ash Child: In the midst of a drought in Toussaint, Montana, brushfires, meth dealers, and murder challenge the Métis Indian tracker and cattle investigator. "Compelling . . . plenty of action . . . a pleasure to read." — Publishers Weekly

Dancing in Quicksand Lucille N. Payne 2014-11-20 Dancing in Quicksand explores the conflicted relationship between family values and domestic violence. It's the story of a 40-

year-old woman's search to find meaning in her life beyond the ties that bind her to a toxic marriage.

Happy Dance'n Cowboy Debra Clopton 2023-07-28 He's a happy-go-lucky cowboy who enjoys dancing, appreciates life and loves being single... she's a woman with a hard past and now working even harder to make the right moves... and life is looking up—but it's a no go for romance... trust is something she no longer has. Caleb Buckley enjoys watching his brothers and cousins fall in love and he's really enjoying the town's newfound love of holding a dance once a month for all those who want to come into town to have a good time. He has no plans to settle down, but lately his attention is snagged by the quiet beauty who is working at the ladies' clothing store. The one who doesn't dance with anyone. The one whose stance and beautiful eyes clearly say "keep away". Jasmine Scott has a past she's determined to leave behind. And after her mother introduces her to the small

town of Lone Star, Texas, she's moved to town and is working at the lovely dress store and things are looking good. Only problem is the Buckley brother she's quietly watched with reluctant sneak peeks. Caleb took her "stand back" warning early on and has done just that while he dances with every female at the town dances. The man obviously enjoys life... but she's not going there. And yet sometimes life takes a turn and there is no control—and she's about to find that out—but she's going to fight it with all she's got. Welcome back to the Buckley brothers and cousin's life in Lone Star... the town full of wonderful, meddling people who suddenly have a new couple to focus on matching up. Can love overcome despite the reluctance of two people who aren't on the lookout for it?

2016-03-01 Winner of the Sillerman First Book Prize for African Poets, Ethiopian American Mahtem Shiferraw's *Fuchsia* examines conceptions of the displaced, disassembled, and nomadic self. Embedded in her poems are colors, elements, and sensations that evoke painful memories related to deep-seated remnants of trauma, war, and diaspora. Yet rooted in these losses and dangers also lie opportunities for mending and reflecting, evoking a distinct sense of hope. Elegant and traditional, the poems in *Fuchsia* examine what it means to both recall the past and continue onward with a richer understanding.

Rockin' Rollin' Rolpa

Mahendra P. Joshi 2018-07-19

Joshua Alberto Hamilton was born in 1973 in Northern Michigan as an only child. Pampered from birth, he got

the legacy to cut loose on many things because he was raised in a carefree childhood. He was never a humdinger of a student or a clinical scholar, but rather, a frivolous character. A novel, *Rockin, Rollin Rolpa* offers a comparison between American and Nepalese life from an eye of an American youth who unintentionally lands in the Himalayan country to spend three months without any preparation, knowledge and excitement, due to a twist of fate on his twenty-first birthday. The story unfolds with a blend of humor, drama, and thrill to keep readers guessing about the following situations. It shares the adventures, mishaps, and lessons learned from a young man who faces a series of interesting choices. A must read for the ones who want to experience cultural differences between two opposite poles of the earth.
