book on the Hunter yet published. It provides up-to-date details of the serials and histories of each individual Hunter aircraft operated by the RAF, RN and the 20 foreign air forces to present civilian ownership over the 56 years since its introduction. It runs from the early prototypes right through to the two latest Hunters with the UK Military, ZZ190 and ZZ191, and of course, who could forget 'Miss Demeanour'. The book was written as an essential reference for the enthusiast, aviation historian and modeler. Many unpublished and some very rare photos are included, with details gathered from many original worldwide sources that span the entire life of the Hunter with 640 pages containing over 400 photos and diagrams. For the modeler there is every plastic, resin or die-cast model produced; walk-round and detail photos; a comprehensive bibliography of books, magazines, websites and DVD's. There are copies of the original specification and contract documents.
