Lovejoy's College Guide Charles T. Straughn, II 1997 Unparalleled in its wealth of up-to-the-minute college information, "Lovejoy's" has been totally redesigned to make it easier to use. Among its outstanding features are more than 4,200 listings, a complete directory of two- and four-year colleges and universities, admissions requirements, an Career Curricular Index, scholarship data, and much more. Free 3.5" disk.

The Handbook of Private Schools 1996 This handbook aims to be a guide to the best private schools of the country. It has been undertaken with the parent especially in mind, but it is hoped that it may be of value to school and college authorities and all others interested in the subject. It is believed that this Handbook is the first volume which attempts a critical and discriminating treatment of the private schools of the country. It is an endeavor to classify the schools on their merits -- at least a step, it is hoped, toward eventual standardization. - Editor's foreword.
