Student Self-assessment in an Interactive Learning Environment Eric Martin Eslinger 2004

Children's Books in Print, 2007 2006

U.S. History Puzzles, Grades 4 - 8 2015-01-01

Students will love to learn about significant events in American history with this fun puzzle workbook! From Columbus' discovery of the New World to the end of the Cold War, this engaging classroom supplement presents historical information through crossword, word search, and hidden message puzzles; review activities and answer keys are also included. Mark Twain Media Publishing Company specializes in providing captivating, supplemental books and decorative resources to complement middle- and upper-grade classrooms. Designed by leading educators, the product line covers a range of subjects including mathematics, sciences, language arts, social studies, history, government, fine arts, and character. Mark Twain Media also provides innovative classroom solutions for bulletin boards and interactive whiteboards. Since 1977, Mark Twain Media has remained a reliable source for a wide variety of engaging classroom resources.

Educators Resource Directory Grey House Publishing 2003-03 Educators Resource Directory is a comprehensive resource that provides the educational professional with thousands of resources and statistical data for professional development. This directory saves hours of research time by providing immediate access to Associations & Organizations, Conferences & Trade Shows, Educational Research Centers, Employment Opportunities & Teaching Abroad, School Library Services, Scholarships, Financial Resources and much more. New features to this Fourth Edition include chapters on Professional Consultants and Computer Software & Testing Resources. Plus, this edition includes a brand new section on Statistics and Rankings with over 100 tables, including statistics on Average Teacher Salaries, SAT/ACT scores, Revenues & Expenditures and

much more. These important statistics will allow the user to see how their school rates among others, make relocation decisions and so much more. Educators Resource Directory will be a well-used addition to the reference collection of any school district, education department or public library.

Administrator's Notebook 1988

Science, Grade 4 Mary Corcoran 2016-01-04

Interactive Notebooks: Science for grade 4 is a fun way to teach and reinforce effective note taking for students. Students become a part of the learning process with activities about traits, food chains and webs, types of energy, electricity and magnetism, rocks, fossils, the sun, Earth, and more! --This book is an essential resource that will guide you through setting up, creating, and maintaining interactive notebooks for skill retention in the classroom. High-interest and hands-on, interactive notebooks effectively engage students in learning new concepts. Students are encouraged to personalize interactive notebooks to fit their specific learning needs by creating fun, colorful pages for each topic. With this note-taking process, students will learn organization, color coding, summarizing, and other important skills while creating personalized portfolios of their individual learning that they can reference throughout the year. --Spanning grades kindergarten to grade 8, the Interactive Notebooks series focuses on grade-specific math, language arts, or science skills. Aligned to meet current state standards, every 96-page book in this series offers lesson plans to keep the process focused. Reproducibles are included to create notebook pages on a variety of topics, making this series a fun, one-of-a-kind learning experience.
