

Alliance Guide Marvel Through Ultimate Walk

Librarian's Guide to Games and Gamers Michelle Goodridge 2021-11-15 Helps librarians who are not themselves seasoned gamers to better understand the plethora of gaming products available and how they might appeal to library users. As games grow ever-more ubiquitous in our culture and communities, they have become popular staples in public library collections and are increasing in prominence in academic ones. Many librarians, especially those who are not themselves gamers or are only acquainted with a handful of games, are ill-prepared to successfully advise patrons who use games. This book provides the tools to help adult and youth services librarians to better understand the gaming landscape and better serve gamers in discovery of new games—whether they are new to gaming or seasoned players—through advisory services. This book maps all types of games—board, roleplaying, digital, and virtual reality—providing all the information needed to understand and appropriately recommend games to library users. Organized by game type, hundreds of descriptions offer not only bibliographic information (title, publication date, series, and format/platform), but genre classifications, target age ranges for players, notes on gameplay and user behavior type, and short descriptions of the game's basic premise and appeals.

[The Definitive Marvel's Wolverine Strategy Guide](#) Silas Wrenford Master Wolverine: The Ultimate Marvel's Wolverine Video Game Guide [♂] Take your Marvel's Wolverine gameplay to legendary levels! From brutal boss fights to hidden collectibles, advanced combat, weapons, and multiplayer strategies, this is the only guide you'll ever need. Marvel: Ultimate Alliance 2 Signature Series Guide BradyGames (Firm) 2009

Jessica Jones, Scarred Superhero Tim Rayborn 2018-04-09 Jessica Jones barged onto our screens in November 2015, courtesy of Marvel and Netflix, presenting a hard-drinking protagonist who wrestles with her own inner (and outer) demons. Gaining enhanced abilities as a teenager, she eschews the "super costume" and is far more concerned with the problems of daily life. But when Jessica falls under the control of a villain, her life changes forever. Based on the comic book Alias, the show won a large following and critical acclaim for its unflinching look at subjects like abuse, trauma, PTSD, rape culture, alcoholism, drug addiction, victims' plight and family conflicts. This collection of new essays offers insight into the show's complex themes and story lines.
