Online Investing on the

Australian Sharemarket Roger Kinsky 2012-02-23 In this complete guide to cyber-investing, Roger Kinsky explains in plain English how you can become a proficient online investor and use the internet to increase your profits. He demystifies the complexity of online investing and provides a comprehensive insight into the online trading process. The book is written for Australian investors and is an informative, one-stop guide to the investment information, services and resources available online. It covers everything from finding the most appropriate broker to setting up an online trading account, placing orders, and much more.

Fundamentals of Investing Lawrence J Gitman 2015-05-20 "What are the best investments for me?"... "What about risk?"... "Do I need professional help with my investments and can I afford it?" Mastering the language, concepts, vehicles and strategies of investing can be challenging. Fundamentals of Investing shows how to

make informed investment decisions, understand the risks inherent in investing and how to confidently shape a sound investment strategy. Fundamentals of Investing 3rd edition is completely updated and introduces core concepts and tools used by Australian investors, providing a firm understanding of the fundamental principles of investments. Focusing on both individual securities and portfolios, students learn how to develop, implement and monitor investment goals after considering the risk and return of both markets and investment vehicles. Fundamentals of Investing is suitable for introductory investments courses offered at university undergraduate or post-graduate level, as well as colleges, professional certification programs and continuing education courses.
