Delivery Tomas Hulick Baiza 2023-03-21 All Daniel Corriente wants is to escape his past and be "normal," but as he enters his senior year in college, he must face the past traumas that have made him who he is. During his journey, Dani will find himself at the intersections of seemingly conflicting identities — Mexican/Chicano/Anglo, thug/intellectual, straight/queer, loner/friend. Along the way, Dani will begin to weave toward clarity with the help of a therapist, feuding mentors, an elitist boss, a persistent drug addict, a former love, and an old woman obsessed with his character flaws and the pizzas with extra green peppers. If he has any hope of finding himself, Dani must ultimately answer the question posed by one of his customers—a question that haunts him at every turn: ¿Qué tipo de persona quieres ser? What kind of person do you want to be?
