Inquiry Into Life Sylvia S. Mader 2000 Learning is much more than reading a textbook. That's why the 10th edition of *Inquiry into Life* is integrated closely with an Online Learning Center where students and professors alike will benefit. The OLC provides animations, virtual labs, online quizzing, Power Point lecture outlines, and other tools that will help make teaching a little easier and learning a lot more fun. *Inquiry into Life* covers the whole field of basic biology, and emphasizes the application of this knowledge to human concerns. Along with this approach, concepts and principles are stressed, rather than detailed, high-level scientific data and terminology.
