Steps to College Reading Dorothy U. Seyler 2001 The first in a two-book developmental reading series, Steps emphasizes the idea of reading as a three-step process in a "prepare-read-respond" strategy, stressing the importance of pre-reading preparing to read. This book offers more assistance to students with the pre-reading step than other texts. Steps reinforces the prepare step with pre-reading questions prior to each reading selection. Reading passages cover a broad range of topics that will interest students and be relevant to their college work. Chapters contain numerous short pieces for illustration and practice and move to longer pieces for more sustained reading. However, because the book is designed for the more basic course, the readings are always of a manageable length for students. Steps differs from its more advanced companion text, The Reading Context, by providing shorter and simpler explanations of key concepts; by using more visuals to accommodate alternate learning styles; by providing more vocabulary work; by covering reading rates; and by using simpler readings. In addition, Steps offers more help with reading textbook material and provides full

chapters on understanding the difference between specific and general statements, understanding implied ideas, reading graphics, and responding to expressive and persuasive writing.

Students are exposed to the challenges and intricacies behind a rebellion against an oppressive state. The vocabulary activities make this resource and the novel accessible for all students. Make predictions about the plot based on what is already known about the characters. Identify statements of the setting as true or false. Describe moments where Katniss questions herself and explain her reasoning. Students put themselves in Katniss' shoes and imagine what she would be thinking when the terms of the Quarter Quell are revealed. Become a Gamemaker and design the arena for the 100th Hunger Games. Complete a wedge graphic organizer by identifying some of the symbolism found throughout the novel. Aligned to your State Standards and written to Bloom's Taxonomy, additional crossword, word search, comprehension quiz and answer key are also included. About the Novel: Catching Fire follows the events surrounding the dramatic end to The Hunger Games. Katniss and Peeta return home to District 12, where life is much different than when they left. Katniss is reunited with her family, but finds herself distant from Gale and Peeta. When it's time for their Victory Tour, Katniss and Peeta must once again put on a show for the citizens of Panem. During this tour, it becomes clear to both that their display in the arena ignited a rebellion against the Capitol. Katniss now must convince both President Snow and Panem that she is deeply in love with Peeta in order to prove her actions in the games were that of love and not of defiance. With the 75th anniversary of the Hunger Games looming, Katniss learns that her days in the arena are far from over.
