Choosing Your A Levels Cerys Evans 2012-08-21 Not sure

what to do after your GCSEs? Are you overwhelmed by the options? Choosing Your A Levels is the only impartial guide which will clearly provide you with all your options post-16. Whether you have decided to study A Levels, an advanced diploma or any other further education qualification, this comprehensive guide will help you take the next steps in your education. If you want more advice on which subjects to take or whether you want to learn more about how they are structured, Choosing Your A Levels provides you with all the information you need to make tough choices and continue into further education. Containing the latest information on AS Levels this book will successfully guide you into further education. Choosing Your A Levels is easy to navigate if you want information about a particular qualification or as a detailed overview of all the major post-16 further education options. Inside you'll find: * Guidance on choosing the right

qualification for you and indications of what the different qualifications can lead to * A directory of subjects by qualification for quick reference * Exam tips and preparation to ease the pressure * Advice to help you succeed when you get there Students all have different strengths, so Choosing Your A Levels explains the involvement and details of each qualification showing how each qualification suits different learning styles. This means you have all the information you need at your fingertips to make a personal and informed choice matching yourself with a qualification that works with your strengths, whether they are practical skills or personal attributes, for a successful post-16 education. For more help and advice on choosing other post-16 qualifications please see other titles in the series; Choosing Your Apprenticeship and Choosing Your Diploma.

students with the right level of support and the workbooks will act as a useful teaching and revision tool.

Learning to Teach Physical Education in the Secondary School Susan Capel 2013-04-15

This book focuses on the requirements of student PE teachers in relation to teaching skills and issues covered in PGCE and initial teacher education courses. The new edition of this popular textbook draws together background information about teaching and about PE, basic teaching skills specifically related to physical education and broader knowledge and understanding of issues in the wider context of PE. The book is organized so that each chapter contains text and underpinning theory interspersed with activities that student teachers are asked to undertake either alone, with another student teacher, or with a tutor. This is not a book of teaching tips but promotes critical thinking and reflection to enable student PE teachers to develop into reflective practitioners. Learning to

Teach Physical Education in the Secondary School is an essential resource for any student teacher undertaking PGCE or school-based initial teacher education to become a teacher of PE in secondary schools.

AS Level Textbook John

Honeybourne 2000 The second edition of this well-established text has been updated to match the revised course specifications for OCR, AQA and Edexcel syllabuses.

AQA A-level Sociology Student Guide 1: Education with theory and methods

Dave O'Leary 2020-03-30

Reinforce understanding of the content examined in A-level Paper 1: Education with Theory and Methods, including Education, Methods in context, and Theory and methods.

Packed full of clear topic summaries, knowledge check questions and sample exam-style questions and answers with commentaries, this guide will help students aim for and achieve the highest grades.

This Student Guide will help to:

- Identify key content for the

exams with our concise coverage of topics - Avoid common pitfalls with clear definitions and exam tips throughout - Reinforce learning with bullet-list summaries at the end of each section - Test knowledge with rapid-fire knowledge check questions and answers - Find out what examiners are looking for with our Questions & Answers section

Folens GCSE P.E. Julie Walmsley 2003 Bright and lively textbook written specifically for the AQA GCSE P.E. Specification 'A' course, with the aim of helping lower achieving students (Grade C/D and below) obtain a better grasp of each P.E. topic and improve their examination performance.

A2 Revise PE for AQA Dr. Dennis Roscoe 2017-06-15
