The Procession (Hard cover)
Joseph L. Moser 2011-08-30
William Michaels, professional school counselor and amateur historian, has reached a crossroad in his marriage. The

spark is gone. What started out as the sweet life with Sarah, the girl of his dreams, has turned sour, about the time she began working her way up in the banking industry.

Suspecting infidelity, William decides to keep tabs on Sarah, and turns up far more than he ever imagined. But, the real adventure for him is only beginning. While driving in a funeral procession in the backwoods of Florida, he experiences a life-changing event - as surreal as it is earth-shattering. He enters a world he didn't know existed. He meets someone new, and the emotions he feels are overwhelming. William begins uncovering a mystery that is beyond explanation. History changes. Reality expands. Worlds collide. Ultimately, secrets are revealed that turn the lives of William and those he loves and who love him upside down. The Procession is the stunning debut romantic

thriller from Joseph L. Moser.
