

## Academy Awards 2014 Imdb

*Pop Culture in Latin America and the Caribbean* Elizabeth Gackstetter Nichols 2015-07-28 This insightful book introduces the most important trends, people, events, and products of popular culture in Latin America and the Caribbean. In recent times, Latin American influences have permeated American culture through music, movies, television, and literature. This sweeping volume serves as a ready-reference guide to pop culture in Central America, South America, and the Caribbean, focusing on Mexico, Brazil, Venezuela, Argentina, Haiti, Cuba, the Dominican Republic, Jamaica, and Costa Rica, among other areas. The work encourages hands-on engagement with the popular culture in these places, making such suggestions as Brazilian films to rent or where to find Venezuelan music on the Internet. To start, the book covers various perspectives and issues of these regions, including the influence of the United States, how the idea of machismo reflects on the portrayal of women in these societies, and the representation of Latino-Caribo cultures in film and other mediums. Entries cover key trends, people, events, and products from the beginning of the 20th century to the present day. Each section gives detailed information and profound insights into some of the more academic—and often controversial—debates on the subject, while the inclusion of the Internet, social media, and video games make the book timely and relevant.

**Southern Studies** 2015 An interdisciplinary journal of the South. *Vanity Fair* 2014

**Academy Awards®** Gail Kinn 2014-12-16 Updated to include the 2014 Academy Awards, this is the definitive guide to 86 years of the Oscars, including every nominee and winner in every category, plus red carpet highlights, unforgettable photographs, and insider information from onstage and behind the scenes. The Academy Awards invites us to share in the celebration of 86 years of best actors, actresses, directors, cinematographers, costume designers, and more, plus the greatest films in movie-making history. All of the winners and the losers of Hollywood's prestigious award ceremony are covered here in detail, together with all of the glamour and gossip that is the Oscars®. Written by film experts Jim Piazza and Gail Kinn, who are sought out by the media every year for their insider knowledge of movies and Hollywood, *The Academy Awards* is both a handy reference and a detailed history of the annual event. Organized by year, beginning with the very first awards given in 1927, *The Academy Awards* presents in each chapter a complete and fun-to-read overview of the ceremony, including highlights of the most memorable moments (and outfits!) of the evening. Piazza and Kinn also provide details and little-known facts about award winners for best picture, best actor and actress, best supporting actor and actress, and honorary awards, plus a complete list of nominees in every category. Packed with more than 500 photographs from the ceremonies and red carpet, as well as stills from the movies themselves, this unauthorized book delivers what fans want most: all the facts, enhanced by juicy commentary and pictures galore.

**Oscars Biggest Mistakes** Eric Litt 2022-02-08

**J.J. Abrams vs. Joss Whedon** Wendy Sterba 2016-12-08 J.J. Abrams and Joss Whedon are two of the most imaginative and accomplished men in Hollywood. As writers, directors, producers, and series creators, their credits have straddled the mediums of television and film and range across several genres, from science fiction and horror to action and drama. In addition to spearheading original projects like *Lost* and *Buffy the Vampire Slayer*, each has also made his mark on some of the most successful franchises in popular culture—from *Mission Impossible*, *Star Trek*, and *Star Wars* (Abrams) to *Alien* and *the Avengers* (Whedon). Their output—both oddly similar and yet also wildly different—stand at the heart of twenty-first century film and television. In *J.J. Abrams vs. Joss Whedon*, Wendy Sterba compares the parallel careers in film and television of these creative masterminds—pitting one against the other in a light-hearted competition. With in-depth discussions of their works, the author seeks to determine who is the Spielberg (or perhaps the Lucas) of the twenty-first century. The author looks back upon the beginnings of both men's careers—to Whedon's stint as a writer on *Roseanne* to Abrams' early scripts for films like *Regarding Henry*—and forward to their most recent blockbusters, *Avengers: Age of Ultron* and *Star Wars: The Force Awakens*. This book also looks at non-fantasy successes

(Abrams series *Felicity*; Whedon's adaptation of *Much Ado about Nothing*), as well as commercial failures. At the heart of this study, however, is a tour of their genre-defining hits: *Alias* and *Buffy*, *Lost* and *Angel*, *Super 8* and *Serenity* along with Whedon's *Avengers* films, and Abrams' rebooted *Star Trek* adventures. Filled with sharp-eyed analysis, illuminating anecdotes, and unexpected connections, *J.J. Abrams vs. Joss Whedon* will appeal to fans of either (or both!) of its subjects, and to any fan of well-told tales of the fantastic, on screens large or small. **Focus On: 100 Most Popular 2010s Fantasy Films** Wikipedia contributors **Focus On: 100 Most Popular Drama Films Based on Actual Events** Wikipedia contributors **Focus On: 100 Most Popular American Autobiographers** Wikipedia contributors
