*Financial Accounting, Study*

*Guide* Jerry J. Weygandt

2010-01-12 Weygandt helps

corporate managers see the

relevance of accounting in

their everyday lives.

Challenging accounting

concepts are introduced with

examples that are familiar to

them, which helps build

motivation to learn the

material. Accounting issues are also placed within the context of marketing, management, IT, and finance. The new Do It! feature reinforces the basics by providing quick-hitting examples of brief exercises.

The chapters also incorporate the All About You (AAY) feature as well as the Accounting Across the Organization (AAO) boxes that highlight the impact of accounting concepts. With these features, corporate managers will learn the concepts and understand how to effectively apply them.
