Manual for Auditing of Commercial Loans Hani Beshara Omar 2025-04-30 Hani Omar has over forty years of diverse experience in public accounting, auditing, consumer lending, retail banking, commercial lending, risk management, and life and health insurance. He had held multiple positions before retiring at several major commercial international and local banks and insurance companies. Specifically, Bank of America, Bank of Montreal, and CIT Financial Corporation among others. During his extensive career, he was responsible for special purpose investigation of borrowers, pre-loan surveys, collateral monitoring engagements, consulting lenders on workouts and mergers and acquisitions, and liquidation of defunct companies after lenders closed companies and liquidated them. In his capacity as a vice president, loan officer, loan department manager, and a (comprehensive) forensic auditor, he gained experience in banking, insurance, personal and commercial loans, and junior mortgages. Before he retired in 2008,

as a vice president, loan officer, and team leader, he led in training and supervising junior auditors to survey new businesses recommending loans to the credit department. He participated in discussions and analysis of loans always adding value in recommending or declining new loans. He conducted pre-loan surveys for commercial banks on various businesses, such as Petroleum terminals, wineries, steel companies, metal fabricators, scrap dealers, and meat packers and slaughterhouses, to name a few. He conducted collateral monitoring engagements for asset-based lenders on various businesses as above. He was involved in large and small loans varying from 100 million to 500 million dollars. He conducted investigations of targeted businesses in leveraged buyout situations for financial institutions contemplating financing the transactions. Hani is an alumnus of Roosevelt University in Chicago, Illinois. Had an honorable discharge after six years of service from the United States Army in 1972. And a world traveler who has traveled to Europe, Africa, both the Americas and Asia. An author of several articles and books. Books written by the Author: - "AKABA - The Great Arab Revolution of 1916" "Lawrence of Arabia" - "A Chronicle of an English Spy"

Forensic Accounting and Financial Statement Fraud, Volume II

Zabihollah Rezaee 2019-04-03 Forensic accounting is gaining considerable attention as a rewarding and exciting field of accounting. Forensic accountants perform both fraud and non-fraud services. The American Institute of Certified Public Accountants (AICPA) released its

proposed new standards for its members who perform investigation and litigation forensic accounting services in December 2018. This second volume addresses fraud and non-fraud forensic accounting practice and performance. The author discusses forensic accounting roles and processes; forensic accounting techniques roles and responsibilities of corporate gatekeepers, including forensic accountants in creating a corporate culture of integrity and competency in preventing and discovering financial statement fraud. Also presented are challenges and opportunities in forensic accounting, and emerging issues in fraud investigation.

Audit-Ready Financials Lingo Mango Does the thought of tax season or an unexpected financial review keep you up at night? You are not alone. Many of us feel overwhelmed by stacks of receipts, disorganized digital files, and the nagging fear that we have missed something important. Audit-Ready Financials is your practical, step-by-step roadmap to moving from financial clutter to total peace of mind in just 30 days. This book strips away the complex jargon and focuses on the essential habits that keep your finances organized, secure, and ready for anything. Whether you are managing personal accounts or running a small business, you will learn how to build a reliable system that works for you, not against you. Inside, you will discover how to: - Establish a simple, daily bookkeeping routine that takes less than ten minutes. - Create a foolproof filing system for tax documentation that makes April stress-free. - Implement internal control procedures to protect your assets and prevent costly errors. - Automate your record-keeping so you never have to scramble for a missing invoice again. - Build the confidence to handle financial inquiries with ease and transparency. To help you stay on track, this book includes a 30-day daily audio companion masterclass (\$47 Value) that guides you through each step of the process. These short, actionable audio sessions are designed to keep you motivated and ensure your new systems stick long after the 30 days are up. You do not need to

be a math genius or a professional accountant to have a clean, audit-ready financial life. You simply need a clear plan and the right habits. By dedicating just a few minutes a day to these proven strategies, you will stop playing catch-up and start enjoying the clarity that comes with being truly organized. Stop letting paperwork dictate your stress levels. Take control of your financial documentation today, build a system that lasts, and finally experience the relief of being prepared for whatever comes next.
