Combating Climate Change: A helpful guide on personal carbon footprinting

Gopalakrishnan Ravichandran 2021-12-15

Climate change is a hot topic these days as it makes our earth a hotter place to live in. Almost all the countries are working on their climate policy to do their part in reducing carbon emissions. Many global conferences and events have been happened in the past 50 years to control the global temperature rise. But still, there is no evidence of significant improvement in reducing our global carbon emissions. Some of you might have thought about your role in combating climate change. To answer this, we came up with this book which will help you to
