

Argument Essay Lesson Plan

An argument is a disagreement between two or more people, but it can also be a statement backed by evidence, like your argument that your school doesn't need a dress code. An argument is a statement or set of statements that you use in order to try to convince people that your opinion about something is correct. Two principal approaches to fine-tuning this first-step characterization of arguments are what may be called the structural and pragmatic approaches. The pragmatic approach is motivated by the view ...
