**At the Italian's Command** Cathy Williams 2006 Millionaire businessman Rafael Loro dominates everyone around him . . . until dowdy but determined Sophie Frey is assigned to work with him. Rafael is used to beautiful, perfectly groomed women who agree to his every whim - in the bedroom and out of it. Sophie's feistiness - and innocence - are driving him crazy! But once Rafael succeeds in bedding her, his thoughts turn to a real need to possess Sophie - at any price.

Seduction in the palazzo! Ever since a horrific accident for which he blames himself, Danilo Raphael has remained closed off and emotion-free. But when he sees English rose Tess Jones being attacked, he cannot quell his protective instincts and offers her sanctuary...in his imposing Tuscan palazzo. Tess Jones may be a virgin, but she knows what she wants in a man, and this autocratic Italian, no matter how darkly sexy, isn't it! But as hot summer days melt into sultry nights, Tess finds herself surrendering to Danilo. Their passion changes Tess irrevocably, but she must leave unless Danilo relinquishes the past that holds him back...

[The Italian Count's Command](#) Sara Wood 2010-04-07 Miranda still loves her estranged husband, Count Dante Severini, and she would do anything to be with him and their son. But Dante clearly hates her--treating her like an unfaithful gold digger... Much as it pains him to do so, Dante has had no choice but to believe the evidence against his wife. He had wanted nothing more to do with Miranda--but their son has been missing his mother. So he issues her a dramatic command: Miranda must come to live with him in his Italian palazzo. In exchange for a life of unparalleled luxury she must pretend that they are happily married...that she is his loving, willing wife....

[The Italian War on the Eastern Front, 1941-1943](#) Bastian Matteo Scianna

2019-09-09 The Italian Army's participation in Hitler's war against the Soviet Union has remained unrecognized and understudied. Bastian Matteo Scianna offers a wide-ranging, in-depth corrective. Mining Italian, German and Russian sources, he examines the history of the Italian campaign in the East between 1941 and 1943, as well as how the campaign was remembered and memorialized in the domestic and international arena during the Cold War. Linking operational military history with memory studies, this book revises our understanding of the Italian Army in the Second World War.

[The "Jewish Question" in the Territories Occupied by Italians](#) Autori Vari

2020-09-30T10:49:00+02:00 This volume deals with a topic at central to the Italian historiographical debate, namely the Italian authorities' attitude in the occupied territories during the Second World War and, in particular, towards the local Jewish communities. Through a reconstruction that is the result of authors with different sensitivities and historiographic approaches, the contradictory nature of the application of anti-Jewish legislation by Italian authorities emerges; an application that went from protection to more or less rigid internment up to handing them over to German authorities. A historiographically innovative book, therefore, that aims to shed light on one of the most dramatic events of

the Second World War: the persecution of the Jewish population.
