**THE THIRD EYE** R RAMASUBRAMANIYAN

2023-06-01 DISMANTLING GLOBAL

HINDHUPHOBIA The attacks on the Religion of this land and its related and linked civilizational identity is on the rise from different quarters not only in India but across the world. All the current conflict trigger points work at different levels and are operated by a mix of different interest groups, but the end goal is to ring fence the religion called Hinduism and to make it fit

the Western / Eurocentric framework of Religion; else it needs to be dismantled. This book is an attempt to give a fresh Indic perspective to the religion of this land. Hence the book is titled 'The Third Eye' - a new vision to view Bharat; a vision that does not get confined to a right or left or centric view point. It sits above all these views; it is 'The Third Eye'. It also symbolically represents Shiva's third eye, the opening of which burns everything; the attempt is to burn the current narrative with the third eye so that we get to see / create a new vision of Bharat.
