The College Student's Guide to Landing a Great Job Bob Roth 2007-10 There is a Way to significantly increase your chances for landing a great job with a well known and respected employer. If that is your goal, this book can help you achieve that goal. The most successful students realize that they must compete for the best jobs. Since every student can improve their chances for a better job by following the week-by-week plan contained in this book, only one question remains. How badly d
