What was meant to be a simple exercise turns into a desperate search as Trixy's soul fails to return to her body, leaving her lost in the vastness of space and time. As the school launches a frantic hunt for Trixy, Nyx is haunted by strange dreams. In these dreams, she is confronted by visions of a man she loved in her past lives, each time with a different face but the same soul. In every life, this man meets a tragic and untimely end, leaving Nyx to wonder if there is a connection between her dreams and the legend her grandmother narrated over dinner. Will she find herself meeting the one in her visions, or are those simply common nightly dreams? As Nyx navigates through a world of magic, mystery, and unbreakable curses, she must confront the ultimate question: is her sister forever lost, or can she find a way to bring her back? Book 1 of Cursed sequel - Trapped, is a gripping tale of love, loss, and the unbreakable bonds that tie us together across lifetimes, weaving a captivating narrative that will leave readers eagerly awaiting the next installment in Nyx's journey.

Saturday Review 1966

Blood Rite Trista Ann Michaels 2009-12-31

"Julian has a problem. Or four. His enemy's

daughter needs protection. And she's a witch. And he can't keep his hands and eyes off her. And neither can his best friend." Julian "thought" he'd rid the world of Sebastian, but a warning from a long ago dead soul makes Julian realize his worst fear will be realized: Not only is Sebastian back, but the witch's council needs Julian to protect Sebastian's daughter, Addison. She's beautiful, stubborn, and a worst of all, a witch--the very thing the four-hundred-year-old vampire hates most of all. It doesn't help that his best friend Andre is not only determined to win her for himself, but is also positive the three of them can actually make a relationship work. That's provided, of course, they all survive and that Julian can get past Addison's magical abilities. "Publisher's Note: This book contains explicit sexual situations and includes anal play/intercourse, menage (m/f/m with homoerotic content), and violence."

English Mechanic and World of Science 1917

Rites of the Shadow Flame Lyra Dave In a dying dragon realm where ancient flame and shadow magic teeters on the brink of extinction, one blood rite will bind a human scribe to the most dangerous exile alive. Rites of the Shadow Flame is a slow-burn dragon romantasy packed with enemies-to-lovers tension, fated mates, and forbidden magic that readers will love. Zara Van has spent her life as a lowly scribe in the outer archives, safe from the brutal politics of Elyndor's dragon courts. But when the kingdom's last ember begins to fade, the elders force her into a deadly blood rite, binding her soul to Prince Kaelen Veyra, the exiled Shadow Prince whose very name is whispered like a curse. He is cold, commanding, and dangerously beautiful. She is human, defiant, and the only one who can awaken the ancient flame magic sleeping in his veins. From the moment the rite is sealed, their bond ignites a slow-burn attraction neither can deny: lingering glances that scorch, charged silences heavy with unspoken desire, and a reluctant alliance that blurs the line between hatred and hunger. But the magic they awaken is forbidden for a reason. Every spark of power risks burning out Kaelen's

immortal soul... or consuming Zara's fragile human one. As rival queens plot to steal the last crown and war erupts across three dragon courts, Zara and the Shadow Prince must move across a treacherous world of court intrigue, blood bargains, and a fated-mate connection that could either save their realm or destroy it forever. Perfect for fans of dragon romantasy, morally gray heroes, and slow-burn fantasy romance with heart-pounding stakes, *Rites of the Shadow Flame* is the addictive first book in the *Shadow Flame Saga*. If you crave enemies-to-lovers tension that builds for books, fated mates who fight their destiny, and a dragon realm dripping with dark magic and forbidden passion, this is your next obsession. Start the saga today. The rite has already begun.

Inkmistress Audrey Coulthurst 2018-03-06 A sweeping, action-packed, and romantic fantasy full of dangerous magic and dark choices, perfect for fans of Tamora Pierce and Kristin Cashore—set in the same world as *Of Fire and Stars*. Asra is a demigod with a dangerous gift: the ability to dictate the future by writing with her blood. To keep her power secret, she leads a quiet life as a healer on a remote mountain, content to help the people in her care and spend time with Ina, the mortal girl she loves. But Asra's peaceful life is upended when bandits threaten Ina's village and the king does nothing to help. Desperate to protect her people, Ina begs Asra for assistance in finding her manifest—the animal she'll be able to change into as her rite of passage to adulthood. Asra uses her blood magic to help Ina, but her spell goes horribly wrong and the bandits destroy the village, killing Ina's family. Unaware that Asra is at fault, Ina swears revenge on the king and takes a savage dragon as her manifest. To stop her, Asra must embark on a journey across the kingdom, becoming a player in lethal games of power among assassins, gods, and even the king himself. Most frightening of all, she discovers the dark secrets of her own mysterious history—and the terrible, powerful legacy she carries in her blood.
