Breaking Out Lydia Michaels 2013-11-19 Second in the darkly compelling, sexually-charged contemporary romance trilogy, in which two men vie for the mind, body, and heart of a woman who may never give in to their wishes—or her own... Evelyn “Scout” Keats has left behind her painful past of surviving on the streets, and is now living in the luxurious penthouse master suite of Hotel Patras with her lover, billionaire Lucian Patras. But what she doesn’t know is the price Lucien paid for her freedom. To protect Scout’s life, Lucian cut a deal with a dangerous man from her past, Parker Hughes. He swore to stay away from her for thirty days, even though he knows Parker will be fighting to keep them apart for good and take Scout as his own. Yet neither man realizes that Scout is not about to be used as a prize or a bargaining chip for any man’s power play—and she falls back on her hard-earned self-respect and courage to show both men that the only person she truly needs is herself. But Lucien has other plans... DON’T MISS COMING HOME, THE THIRD AND FINAL NOVEL IN THE SURRENDER TRILOGY *Books Out Loud* 2004

*Protege* Lydia Michaels 2016-08-16 The author of the provocative Surrender Trilogy presents a new novel of one woman’s introduction to a world of sinfully sweet submission... For too long, French teacher Collette Banks has locked her deepest desires away in the darkest corners of her mind. But now, she’s taking matters into her own hands by applying to a secret and exclusive society devoted to matching people with their ideal partner—or partners... Founder Jude Duval has set up strict rules for admitting people into his world. But when he interviews Collette, he finds himself breaking protocol. Her innocence disarms him.

Her willingness to explore her own sensuality delights him. And her spirit challenges him—enough to take her on as his own protégé . What starts out as Collette’s erotic awakening will draw them both in deeper than either of them could have ever imagined... Praise for the Surrender Trilogy “Super hot.”—Fresh Fiction “Turbulent, sweet, and scorching hot in turn.”—Delighted Reader “The whole trilogy had me ensnared...Lydia Michaels is by far becoming one of my favorite authors and I can't wait to read more from her.”—Live, Read and Breathe

**The Black Flame Trilogy: Book Three, Worlds of Color** William Edward Burghardt Du Bois 2007-05 The final book in W. E. B. Du Bois's Black Flame trilogy, *Worlds of Color*, opens when Mansart is sixty and a successful college president. Packed with political intrigue, romance, and social commentary, the book provides a cynical view of the world's relationship to the "Black Flame," or the potential of black civilization. Building upon the drama of the previous two books, *Worlds of Color* delves into a bleak future.

Nelson's Perpetual Loose-leaf Encyclopaedia John Huston Finley 1909 *The Surrender Series* Sophie Kisker 2024-02-25 On Miro, Men Rule, and Women Kneel. But These Women Refuse, and Their Defiance Threatens to Expose a Terrible Secret. Memories of Surrender - I long to study the forbidden, and know I risk death if anyone finds out. But hidden deep in my mind is the secret that keeps all the women on Miro in bondage. Will James help me escape before the government finds out and silences me forever? Longings of Surrender: They've stolen my daughter, and I'll never trust anyone again. It doesn't matter that Matias spouts nonsense about freeing slaves. He's a man, and men only break things. They never fix them. Tears of Surrender: I escaped Miro as a child and ignored the

warnings to never return. Now I'm a slave, and my first master holds a hatred towards me I don't understand, and may not survive. Serving Mercer might keep me alive, but the obedience he demands is absolute.

These books are revised from the original series "The Midrosian Chronicles". Caution: They range from steamy to very dark. For content advisories, please see my website [sophieisker.com](http://sophieisker.com). Memories, Chapter 1 Lydia: I'm not sure how the book got into my hands. I've ignored the deep blue cover and the gilt lettering of the large volume for many lunars as I dust and clean my master's study. It's forbidden to me. And yet, somehow, I'm holding it. With the skills I taught myself in secret, I sound out the title. "La-spen-teer-a-tee-a". L'a Spentiratia. I screw up my nose as I struggle to translate the words. The Ancient Ocean. I wonder if it's full of tales of imaginary aquatic beasts? Or maybe it's about the real wonders of undersea life? I scarcely breathe as the book falls open to a drawing of a magnificent sea creature. The caption above the picture says "E-nor-mer-i-pod". Enormeripod. Hmm... that means "large-footed creature". Not a very original name. "Lydia!" A horrified gasp comes from the doorway. I shriek, and the book falls to the carpet, still open to the page I was studying. I stare at Bena, who stares back. The older woman opens her mouth to speak, perhaps to warn me, but it's too late. Our master's large frame appears behind her. I take in his shocked face for only a moment before I throw myself to the floor, bowing so low my face flattens the carpet fibers, my arms thrust forward in supplication. "Master!" I cry out. "I—I'm sorry! It's just so beautiful, and I tried to ignore it, and I don't know why—" Terror chokes off any further speech. "Lydia." His voice is stern, but not angry. "Lydia, look at me." I lift my head but can't look him in the eyes, so I stare at his feet. "It is a marvelous book, isn't it?" I give a tiny nod. "Yes, Master." Tears gather in the corners of my eyes. He steps over to the book. The page with the exquisite drawing lies open and incriminating. "Oh, yes. That was one of my favorite creatures, too. My father gave me this book when I was ten." He bends over, picks it up, and puts it back on the shelf. Then he sits down in the large desk chair and swivels around to face my still-prostrate form. "Lydia, you

know what the rules are, and you know what the consequences are." It's a statement, not a question. I've known the law since my earliest memories as a child. I tremble, my head once more buried in the carpet as though humility can save me. "I think, however, it's possible that you were only holding the book, not looking inside, and that it didn't open until it fell to the floor." I can scarcely believe that he's going to lie, for me. Holding a book is bad, but opening it more than doubles the penalty. "Master?" I look up to him, blinking to clear the tears. He smiles at me. "Master, th-thank you." My voice is so soft I'm not sure he hears me. He leans over to cup my chin with a gentleness I don't deserve. "If this were a smaller matter, we'd deal with it here, at home, but it's not, and if I don't report it, someone else will." "I know, sir." There's no question of escaping the consequences. Master is fair but strict, and the law is clear. "I'm going to go enter your name on the list for the next Punishment Day, and you won't clean in here anymore." He shakes his head as he stands. "I'm just glad you can't actually read the Br'ini words. The consequences for that are dreadful." He leaves the room, and I struggle not to throw up on the expensive white carpet.
