expressions are the 'salt and pepper' of any language. They give Spanish its colour and imagery, its richness and variety. From set phrases and idioms to metaphorical expressions and proverbs, these essential components allow users to add humour and spice to their language, vividly embodying Hispanic culture while naturalizing their communication style to more closely resemble that of native speakers. Key features:

Includes a selection of the most widely used idioms from Spain and Latin America; Idioms are classified into specific and easy-to-reference categories; Creative activities, exercises, mnemonic devices and learning

strategies facilitate the acquisition and mastery of idiomatic language; Connections between the Spanish language and Hispanic culture are explained and illustrated; Reference tables at the end of each section highlight similarities between English and Spanish usage of idiomatic language; Original samples, as well as fragments from various Spanish-speaking countries and well-known literary works, are included to help expose students to the use of idioms in journalistic and literary writing. Practical, informative and highly entertaining, this is the ideal text for all intermediate and advanced learners of Spanish. *Memoria General de las Inspeccion del Trabajo* Instituto de Reformas Sociales (Spain) 1911

diagnosticar y tratar cualquier  
trastorno médico que se  
encuentra en la práctica.  
Integra hábilmente los últimos  
avances en biología con el  
diagnóstico y las terapias  
actuales, basados en la  
evidencia, incluyendo dosis  
farmacológicas. Su formato  
dinámico y bien organizado

ofrece un acceso rápido a la  
información de referencia.

Como novedades destacan: la  
inclusión de un nuevo capítulo  
de Aplicación de tecnologías  
moleculares a la medicina  
clínica, una sección  
completamente renovada de  
enfermedades infecciosas y  
cobertura de las más  
novedosas técnicas y

for students outside of class. This manual offers additional practice of each chapter's vocabulary and grammatical structures through form-based exercises including sentence-building activities, completion exercises, fill-ins, and realia-based activities. Reading and writing skills are developed in a series of interesting and personalized activities. Additional cultural activities encourage students to make connections and comparisons with the Hispanic world.
