The Form Book Borries  
Schwesinger 2010-06 Filling in  
forms affects all our lives, yet  
as an aspect of design, forms  
are often overlooked. This  
unique sourcebook shows what  
good form design can achieve.  
Order forms, invoices,  
applications and questionnaires  
should be designed to focus on  
the essentials and so make the  
communication of information  
faster and simpler. But if a  
form is too complicated,  
confusing or obscure, it can  
become a barrier to

communication, wasting time  
and money and harming  
perceptions of a business or  
brand. Successful forms do  
exist - efficient, streamlined  
and even stylish - but they are  
a real challenge to create.

Packed with practical advice  
and inspiring ideas, The Form  
Book brings together a  
comprehensive collection of  
great designs for both print  
and digital media, showcasing  
a range of thoughtful, elegant  
or witty approaches to form  
creation.
