A COMPLETE GUIDE TO M.C.Q, SCIENCE Er.

SAJAL KUMAR GHOSH 2018-06-01 A Complete

Guide to M.C.Q for Class X has been written in

accordance with the latest syllabus of Science

prescribed by the Central Board of Secondary

Education (CBSE), New Delhi. The present book

will help you to self-understand the subject in a

better way. Unique features of this book : 1.

About 1200 Q & A. 2. Written in very simple,

easy to understand student friendly language. 3.

All chapters of science book are covered. 4. All

questions are made at par with CBSE question

standard. 5. Every question has four options and

they are very informative though only one will be

the correct answer. 6. All questions are answered at last of each chapter. 7. Every answer is explained in detail. 8. Other than correct answer all other options are also discussed to understand why they are not the correct option for that question. 9. The answer is written in a comprehensive style in most cases with well-illustrated and labeled diagrams where ever it was required. I hope this book will prove very useful to the students and teachers.

Suggestions and constructive criticism for the further improvement of the book would be gratefully acknowledged and should incorporate in coming editions.

This book is written under the guidance of the Academic scholars of Proficient Academy. The sole purpose of this book is to extend help and support to the students of 10th standard under CBSE, NCERT curriculum in an affordable manner. We expect that the guidebook will be proved to be fruitful to share in depth knowledge to the students. This book introduces you to how to present yourself in the examination. This book is not meant for learning the chapters, but to make the students understand the skill how to write the answers in the most appropriate way. In this first edition 'Proficient' family tries to help the students with NCERT Text book questions only, but no sample paper or summary of the text contents are given in this book. But 'Proficient' is very much committed to improve the contents in the editions to come.
