**David's Mighty Men** Barry

Blackstone 2026-01-14

Fascinated with Biblical military history since Sunday school in the 1950s and the story of David and Goliath, Barry Blackstone started in the late 1990s to look into David's military career. It wasn't long before he came upon the "mighty men": those soldiers who God used to help David gain the kingdom (1 Chronicles 11:9-10). Soon his focus switched from David to these "mighty men" and for nearly twenty-five years he has researched and explored who they were and what they did to help David. Very soon into exploring David's own lists of these men (2 Samuel 23 and 1 Chronicles 11-12), all he could find was a name; a warrior David thought important enough to name, but not to elaborate on! It was then he

came upon the real blessing of this quarter of a century study, the meaning of these names and their connection to defining who the Christ is. It was then he realized the type David was in the relationship of the Christ as being "...the captain of their salvation ..." (Hebrews 2:10). Join Barry on a lengthy look at David's top 105 "mighty men"; remember, ultimately David had an army of 1,300,000 (2 Samuel 24:9)! What you will find is not just David's mighty men, but what the author has come to believe is one of the greatest portraits of the Christ in the Old Testament.

 2017-10-10 A new commentary for today's world, The Story of God Bible Commentary explains and illuminates each passage of Scripture in light of the Bible's grand story. The first commentary series to do so, SGBC offers a clear and compelling exposition of biblical texts, guiding everyday readers in how to creatively and faithfully live out the Bible in their own contexts. Its story-centric approach is ideal for pastors, students, Sunday school teachers, and laypeople alike. Each volume employs three main, easy-to-use sections designed to help readers live out God's story: LISTEN to the Story: Includes complete NIV text with

references to other texts at work in each passage, encouraging the reader to hear it within the Bible's grand story. EXPLAIN the Story: Explores and illuminates each text as embedded in its canonical and historical setting. LIVE the Story: Reflects on how each text can be lived today and includes contemporary stories and illustrations to aid preachers, teachers, and students.

—Proverbs— It's true that God never speaks in Proverbs, but the text is represented as the wisdom of Solomon, which he receives from God in response to his request. We have to come to the book in light of the theology that anchors all its teachings: that "the fear of the Lord is the beginning of wisdom." Edited by Scot McKnight and Tremper Longman III, and written by a number of top-notch theologians, The Story of God Bible Commentary series will bring relevant, balanced, and clear-minded theological insight to any biblical education or ministry.
