Pieces of Us (Pieces Duet: Book 2 of 2) Pamela Ann There's a time in life where you need to be selfish. A time where you need to make a sacrifice. A point in life where you find yourself at a crossroads. Knowing that whichever path you choose, someone will end up hurting. I'm stuck with this predicament. Am I selfish enough not to care? Or am I selfless enough to sacrifice my own happiness? Hurting the only man that had me—body and soul.

Renewing Forever Kelly Jensen 2018-10-05 A neglected resort, a lost chance at love, and one last chance to renew forever. Frankie and Tommy once dreamed of traveling the world together. But when seventeen-year-old Frank kissed Tom, their plans ended with a punch to the jaw and Frank leaving town without looking

back. Thirty years later, Frank's successful career as a journalist is interrupted by his uncle's death and the question of his inheritance—the family resort where his childhood dreams were built. When he returns to the Pocono Mountains, however, he finds a dilapidated lodge and Tommy, the boy he never forgot. Tom's been keeping the resort together with spit and glue while caring for Frank's uncle, Robert—a man he considered father, mentor, and friend—and his aged mother, who he refuses to leave behind. Now Robert is gone, taking Tom's job with him. And Frank is on the doorstep, wanting to know why Tom is still there and why the old lodge is falling apart. But before they can rebuild the resort, they'll have to rebuild their friendship. Only then can they renew the forever they planned all those years ago.

Without heart, there is no art. Cameron has been running for years—from responsibility, disappointment, war, and loss. Despite his fatigue, his body and mind refuse to rest. Returning home and supporting his younger brother helped, until Nick proved he no longer needed Cam’s care. But before Cam can decide to move on again, he meets someone else who could use a little help. Victor is done with love. He’s done with men. He’s also done, apparently, with being a brilliant, if temperamental, artist. Now he’s just temperamental and would rather watch his gorgeous handyman dig in the garden than paint. It doesn’t take long, however, before Cam’s face—replete with stories—has Victor itching to pick up a brush again. If only painting

people wasn’t fraught with sad memories. Neither plans for more than friendship, but it quickly turns to sex, and then feelings intense enough to send them both running. Only by risking their hearts and sharing the pain of the past can they turn this love into the staying kind. This is part of the Hearts & Crafts series and can be read on its own but is best enjoyed as part of the series. **See this title's page on RiptidePublishing.com for content warnings.**

Shelf Life Kelly Jensen 2023-01-16 Good things come to those who bake. Grayson used to love baking, but the recipe for running his parents’ café changes every day. His dad, overwhelmed by grief, is no help. They can’t even talk about Gray’s mom, let alone the failing business. Of less help is the crush Gray has on Sporty—a trainer from the local gym. Gray barely has time for his friends, let alone scratching the itch

Sporty inspires. Aaron suspects he's not Gray's type, meaning Gray probably isn't into fitness, board games, or redheads. Still, that doesn't stop Aaron visiting the café twice a week. The day Gray finally speaks to him personally could have been the start of something—if Gray hadn't immediately suffered a heart attack. The prescription for Gray's recovery includes exercise, but when Aaron steps in to help, Gray is dubious. He's never been fond of working out. The more he gets to know Aaron, though, the more they seem to have in common, especially when it comes to games. Aaron has been quietly designing his own, and when Gray shows interest, they embark on a quest to complete it together: a hero's journey complicated by family, the demands of their careers, their fledgling relationship, and learning to be honest about what they want out of life.

Building Forever Kelly Jensen 2018-10-15
Charlie King is doing fine. Sure, he's a widower raising a teenage daughter who just got her first

boyfriend, his book series isn't writing itself, and he has a crush on his new neighbor -- the guy next door. But everything's just fine. Simon Lynley is doing better. He moved to Bethlehem to fall out of love and rebuild his career. An affair with his neighbor isn't part of the plan, but the attraction between them is too hard to ignore. But when Simon's ex follows him to Pennsylvania seeking reconciliation, and Charlie's life starts to feel like a video on repeat, everything comes apart. Charlie worries that he's failing as a father, and Simon is a distraction he can't afford. Meanwhile Simon doesn't know if he could survive being left again, and he hasn't come all this way to make the same mistakes. But despite their fears, it's only together that they'll find the strength to slay old foes and build the forever they've been waiting for.
