**Public Personnel Administration** Anupama Puri Mahajan 2023-10-16 This book addresses the processes and concerns within the purview of public personnel administration which is the key to success in carrying out governmental responsibilities and duties. With special focus on Indian administrative system, this volume probes into how public personnel administration is a critical aspect of the public sector that involves enhanced management of human resources. It also studies the evolution of public personnel administration in countries like the USA, UK, France, and Germany. Besides discussing the personnel processes in the post pandemic age, the book also examines the challenges that governments face on a global level. This title will be useful to students, researchers and teachers of Public Administration, Public Policy, Political Science, and General Management. The book will also be an invaluable companion to the policymakers in the government sector as it will strengthen their conceptual understanding of the subject.

OECD Public Governance Reviews Estonia: Towards a Single Government Approach OECD 2011-08-04 This review looks at how, building on its significant accomplishments to date, the Estonian public administration can work together as a single government to improve and sustain service delivery to citizens and to meet new challenges on the horizon.

**Public Procurement Review of the State's Employees' Social Security and Social Services Institute in Mexico** 2013 How can citizens' health and well-being be improved when public resources are limited? What practices allow hospitals and health clinics to get state of art medical equipment and medicine at the right price? The OECD Procurement Review of the Mexican State's Employees' Social Security and Social Services Institute (ISSSTE) looks at the public entity responsible for providing medical and social services to Mexican civil servants. It provides a comprehensive assessment of its procurement function and how to improve it in order to enhance the overall efficiency and transparency of the organisation and the quality of the services it provides. The review builds on the OECD Principles for Enhancing Integrity in Public Procurement, good practices of other health organisations as well as comparative data on public procurement in OECD countries.

**The Global Nexus 2025** Dr. Pratisha Kumari 2025-03-25 It is with great pride and deep appreciation that we present this special volume of The Global Nexus 2025, a compendium of scholarly works that reflect the remarkable spirit of research, innovation, and collaboration across disciplines. This publication stands as a celebration of intellectual rigor and a testament to the power of global academic exchange. We take this opportunity to extend our heartfelt congratulations to all the authors whose manuscripts have been selected for inclusion in this prestigious ISBN publication. Your work has been chosen through a rigorous peer-review process, reflecting both the quality of your research and its relevance to the evolving discourse in management, law, humanities, and social sciences. Each accepted manuscript adds immense value to this volume, contributing to the collective knowledge that will inform future research, policy, and practice. Your contributions go beyond the printed pages; they are voices in a global dialogue that seeks to reshape

our understanding of the world and our approach to its challenges. As editors, we have been inspired by your dedication, originality, and commitment to excellence. It is your pursuit of knowledge and innovation that truly makes The Global Nexus 2025 a meaningful and impactful initiative. We also extend our sincere gratitude to the partner institutions—Eudoxia Research University, USA; Eudoxia Research Centre, India; IIISc-Mumbai; India National Academy of Defence Production, Nagpur; and Gokhale Education Society's SMRK BK AK Mahila Mahavidyalaya, Nashik—for their unwavering support in making this international conference and publication a resounding success. We hope this book not only serves as a reference for scholars and practitioners across the globe but also as an inspiration for future explorations and collaborative efforts in academic and applied research. Once again, congratulations to all contributing authors. Your voices have become part of a global movement toward knowledge-driven progress.
