Code Word Catherine Jodie Collins 1985
Druggists' Circular 1922

Code Word, Catherine Jodie Collins 1984 The distant drone of the plane engine grew louder. The zebra-striped VW van was parked, abandoned, on the beach beside the lake. Ten children, members of the beleaguered royal family of the deposed emperor Haile Selassie, watched the sky eagerly. Was it possible that today they could actually make their escape from Ethiopia's hostile Marxist government and find safety and freedom in a peaceful land? -- From publisher's description.

Adventure in Africa Charles Partee 2000 The story of Don McClure describes five decades of

adventurous commitment to serving some of the most primitive people of Sudan and Ethiopia in the middle years of the 20th century. The lively narrative of life among the Shulla, Nuer, Dinka, Anuak, and Somali reads like a well-crafted fiction. Adventure in Africa is a winsome and challenging account of a wonderfully human, incredibly brave, relentlessly energetic, and completely happy man who devoted half a century to East Africa when he was shot to death in 1977.

The Life of Graham Greene: 1939-1955 Norman Sherry 1994 The second of Norman Sherry's three-part biography, encompassing the most creative period of Green's life in terms of novels and films. It also saw the disintegration of his marriage, and his enrolment as a secret agent. In the 1950s Greene was increasingly drawn to the world's trouble spots.

Ethiopia: the Land, Its People, History and

Culture Yohannes Mekonnen 2013-01-29 This book is a general survey of Ethiopia as a country and its people. It focuses on many subjects about Ethiopia's history, geography, politics and the diverse cultures of its people who collectively constitute one of the most fascinating countries in the history of Africa and of the entire world. It starts from the beginning when foundations were laid for what was later to become the country of Ethiopia which is one of the oldest civilisations in the world. Ethiopia also has the distinction of being the oldest Christian nation in Africa and one of the three oldest Christian countries in the world after Georgia and Armenia. Ethiopia converted to Christianity centuries before Europe did. And it is mentioned in the Bible many times. The book also covers Eritrea - its people, history and culture - but not in as much detail as it does Ethiopia. Still, the information about Eritrea is enough to serve as a simple and general introduction to the country. But the main focus of the book is on Ethiopia.

The text helps students generate consistent, well-focused analyses based on any of ten critical methodologies, including New Criticism, Psychoanalytic Analysis, Deconstruction, Feminist Analysis, and New Historicism.

Accidental Diplomats Philip Dow 2024-04-30 Evangelicals in the Shadows of Global Conflict In the twentieth century, a hidden chapter of the Cold War unfolded in Africa, shaped by American evangelical missionaries. Accidental Diplomats uncovers this lesser-known story, revealing how these missionaries' quest to

spread the gospel intersected with global geopolitics. Their spiritual mission had an unforeseen impact on the socio-political dynamics of the era. This book offers a deep dive into the complex interplay of evangelical missions, African politics, and Cold War strategies. It explores the significant yet subtle role of faith in shaping international relations and cultural transformations in Congo, Ethiopia, and Kenya. The narrative brings to light key events and influential figures, unraveling the intricate web of religion and global power politics. Accidental Diplomats is an enlightening read that challenges conventional Cold War narratives, spotlighting the often-overlooked influence of American evangelicals in shaping Africa's political landscape during this tumultuous period. Providing a unique perspective on the intersections of faith, history, and international diplomacy during the Cold War, this book will be a valuable resource for scholars and lay readers alike.
