Young Meaning Makers—Teaching Comprehension, Grades K-2 D. Ray Reutzel 2016-05-01 One of the most critical elements in the Common Core State Standards (CCSS) is the effective teaching of reading comprehension in the early years. This timely resource provides evidence-based practices for teachers to use as they work to meet standards associated with comprehending complex literature and informational texts. The authors offer a practical model, with classroom applications drawing on the Construction-Integration (CI) model of text comprehension. Book Features: A practitioner-friendly model for teaching comprehension of informational and narrative texts in the early grades.
