**The A to Z of the Orthodox Church** Michael

Prokurat 2010 Of the three major branches of Christianity, Orthodoxy is the least known and most misunderstood. The A to Z of the Orthodox Church provides students, researchers, and specialists with a desk encyclopedia of the theology and theologians, saints, sinners, places and events of the Eastern Church. Two millennia of the religion are surveyed in over five hundred concise entries, concentrating primarily on the last 150 years. Includes an overview of the early Church through the Byzantine and Russian Empires, into the present multinational Orthodox presence in the ecumenical movement. Many of the general entries cannot be found elsewhere in English, and the comprehensive compilation of biographies of 19th- and 20th-century Orthodox theologians (American, Russian, Greek, and many other nationalities) is published here for the first time. This book includes a detailed 4,000-year chronology, illustrations, extensive bibliography, and an appendix listing the current canonical patriarchs and autocephalous churches.

**Ukrainian Americans** John Radzilowski 2007 Although Ukrainians have been immigrating to the US since the 1870s, it wasn't until after Ukraine gained its independence from the Soviet Union in 1991 that large-scale migration occurred. This title provides an introduction to the history, culture, religion, and experiences of this immigrant group, featuring full-color photographs.

**All Things Medieval** Ruth A. Johnston 2011-08-15 This insightful survey of the "things" of medieval Europe allows modern readers to understand what they looked like, what they were made of, how they were created, and how they were used. All Things Medieval: An Encyclopedia of the Medieval World covers the widest definition of "medieval Europe" possible, not by covering history in the traditional, textbook manner of listing wars, leaders, and significant historic events, but by presenting detailed alphabetical entries that describe the artifacts of medieval Europe. By examining the hidden material culture and by presenting information about topics that few books cover—pottery, locks and keys, shoes, weaving looms, barrels, toys, pets, ink, kitchen utensils, and much more—readers get invaluable insights into the nature of life during that time period and area. The heartland

European regions such as England, France, Italy, and Germany are covered extensively, and information regarding the objects of regions such as Byzantium, Muslim Spain, and Scandinavia are also included. For each topic of material culture, the entry considers the full scope of the medieval period—roughly 500-1450—to give the reader a historical perspective of related traditions or inventions and describes the craftsmen and tools that produced it.

**Consumed: 40 Days of Fasting, Repentance & Rebirth** Dean Briggs 2015-01-08 Fullness is dullness. Hunger is passion. Sometimes we need a personal reboot. We need a "burning bush" encounter, one close enough to feel the heat. Life has a way of growing cluttered, feeling dull. Modern society is so full of stuff-busy schedules, buffet lines, gadgets-that we've forgotten the discipline of denial. We don't remember how to hunger, therefore we've forgotten how to be filled. Yet Jesus promised the opposite: if we hunger and thirst for righteousness, then we will experience fullness. And nothing rekindles the inner fire like fasting. Drawing inspiration from Psalm 40 and Isaiah 40, Consumed is written in simple, encouraging language, composed day-by-day during the author's own forty day fast. Thus, the insights come to you in "real time" - exactly what you need for each day, like a friend who knows how to speak to your heart. Each brief, daily devotional helps to focus the soul in a posture of humility and repentance for the ultimate goal of personal renewal. Have you lost direction, focus, vibrancy? The ancient solution is to give yourself to an extended, 40-day fast. Don't worry...you can do it! Consumed also features: Nuggets of wisdom from ancient and modern church fathers Practical advice for managing your fast Simple, daily guidance from physicians to maximize and safeguard your health Space to journal your reflections each day Medical insights into the benefits of fasting; also specific recommendations for structuring and ending your fast. Don't yield another day to the tyranny of excess and overindulgence. Confront your idols, focus your spirit on the presence of Christ within, and you will experience the unique grace of hunger. Burn again with love for God. Be consumed!
