After Hours Access Alexander Grant 2026-04-07 Jason "The Hammer" Henderson has a reputation for getting any woman he wants. His name is legend on campus, and his nights are a revolving door of sorority girls and no-strings-attached fun. He's never been tempted to stray from his playbook. Until Kyle. Kyle is the tutor Jason needs to pass statistics—quiet, intense, and far too perceptive. During a late-night study session in an empty library, Jason finds himself distracted by everything but the equations: the way Kyle's lips move, the heat of his presence, the intensity in his gaze that feels a little too knowing. One look. One moment. One kiss. And suddenly, nothing makes sense anymore. Jason has always been in control. But now he can't stop thinking about Kyle... about what happened... about how easily his world unraveled in the space of a single night. What started as curiosity is turning into something deeper—something he can't ignore, and isn't sure he wants to. Because the more time he spends with Kyle, the clearer one thing becomes: This was never just a study session.

Breaking Bad Karin Tabke 2015-11-11 Savor the burn... Jack teams up with high octane ex-lover Detective Stevie Cavanaugh. Theirs is an emotionally explosive (she's pissed, he's just hot) reunion story that will singe your eyebrows off. Hold on tight! Breaking Bad is a wild, sexy ride that will leave you breathless for more... Detective Stevie Cavanaugh is one tough cookie...with a sexy but vulnerable secret... Law enforcement royalty, Stevie Cavanaugh's fate was determined before she was born: follow her father's lead, retiring only after becoming Sheriff. But as capable and strong as she is, one man dared to awaken her dark sensuality, only to leave her aching for more. Now he's back, the baddest cop in the whole damn town, distracting her from the most important case of her career—capturing the Cain killer. For Special Agent Jack Thornton, like Stevie, police work is in his blood. So is Stevie, the woman he left behind after just one perfect night. Now he's forced to work with her to catch a killer. Only he wants more of Stevie, too. According to Stevie, she's not interested. But Jack knows her deepest darkest sexual secret—that while she's a woman used to giving command, she also takes great pleasure in submitting—to him. Despite how things ended seven years prior, Jack is determined to take Stevie to the next level. "Tabke's edgy and delicious tales hold a top spot on my must-read list!"—Sylvia Day "No one writes hot cops better than Karin Tabke."—Bella Andre
